Narrative Explanation, if needed

Annual inspection performed today. Cats are available for adoption now from Paws and Claws Feline Rescue. There are 4 cats at this time. Cages are clean with ample supply of food and water. Cats appear healthy. At time of inspection incorrect records were on premises. Accidentally, records in the book were for cats at Petsmart not PetCo. Manager tried contacting rescue group but no answer. I requested that records for the following cats be faxed/emailed to our office within 24 hours: 1) Ginger a grey/white DLH, 2) Ellen a white/black DSH, 3) Puss N Boots a Black/white tuxedo DSH 4) Jay Jay a black/brown tabby DSH. Until records are in place along with proof of rabies at the facility I have advised that no adoptions are to be made and no contact can be made with the cats by customers. Need list of cats brought into this facility for adoption along with the disposition when they leave the facility (adoption, return to foster, etc) and kept for a minimum of one year. Will follow up in 30 days.
