Narrative Explanation

Cole's Cat and Dog Rescue has changed to Paws & Claws Feline Rescue effective January 1, 2014. Our department was not aware of this change until today when I came to do random inspection and check on status of their renewal application that has not been sent in. I have filled out a change form that will be sent in with this inspection.

At time of inspection we discussed the changes of General statute 19A-32.1. I informed them that it is now required to show if an animal has bitten in the last 10 days when it is surrendered and that they need government issued ID information for the animals when surrendered and adopted. Ensure that if there are animals in foster care that their pictures are readily available at the facility.

At time of inspection there was no origination paperwork for Sammy and no rabies vaccination information for Bentley. I have requested that this be emailed to me within 48 hours. Facility was clean with no odor present.
