Narrative Explanation, if needed

Annual inspection performed. At time of inspection there were no dogs boarding. Kennels are well maintained. Floors continue to chip and need to be painted as needed when this occurs. Overall facility was clean with no odor present. Temperature was in ambient range. Sign-in/sign-out sheet is in place. Ensure that all dogs are signed out when they are picked up. Records were not readily available on the 2 of the last 3 previous dogs that were boarded. Owner was in the process of rearranging files and purging older files and therefore they were scattered at the time of inspection. Ensure that all records are readily available for all dogs that have been boarded and ensure that records are kept for a minimum of one year. No other inadequacies noted.
