Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	No dogs or cats are being boarded today. Kennel and grounds are clean. Owner has installed a new fenced exercise area which looks good. Owner understands someone must be with dogs at all times because there is not a secondary fence. A very small area by gate does not have good grass, owner may choose to use sod or gravel to avoid having bare dirt. Area is clean of any feces. Owner is now getting a release signature and logging the strenght and name of medication when given.	

Good Job!
