	Change door Entrieway it is scratched up. Kennel on left in hall has alot of scratched up wood he is in process of changing it to water proof pet shower board on down the hall way. Outside play need grass, rock or concrete. He said he is going to use pea gravel need linchis at back. Major issues with play area. He wants to remodle his boarding area when new building is complete. He has alot of sheet Rock exposed, & wood chewed in this area. 30 days to get some bare dirt covered. Paper work is in order. Perimeter fence is great he has a construction fence up to keep dogs off new grass but no danger to dogs. Give 30 days to get some of these improvements in old building if you are going to continue to use it
