Dear Robin, Elizabeth, Kay, and Billy,

Thanks for participating in the on-line scheduling for our meeting. It appears that Feb. 3 is the best date for all of us to gather. Let's plan on starting the meeting at 9:00 am. Jim has invited us to meet in the Ballentine Building (home of NCDA&CS Structural Pest Control and Pesticide Division) library. Please bring any resources or reports for us to consider as a group. Billy, it would be especially helpful for us if you would apprise us of any data you have on numbers of crew leaders registered in NC and any other pertinent data.

Kay, would you be willing to reserve the library for us on that Wed am?

Please let me know if you feel others should be invited to our discussion.

See you soon,  
Wayne
