Narrative Explanation

Follow up inspection done today with Chief Deputy Tim Manning, Animal Control Sgt. Chris Wilkerson, ACO Kevin Beck and new Kennel Technician Robbie Peaks are all in attendance.

This inspection reveals several new and improved accomplishments.

1. They have built a new cat house. This building is very well constructed and meets with all AWA (Animal Welfare Act) requirements. They are looking into adding more cages in the near future. It is equipped with heat and air and a large exhaust fan.
2. The dog kennel building has a new water heater system, new counter top and shelving.
3. They have removed the gas tank from the outside dog kennel area, replenished the gravel and are working on encasing the large ac unit.
4. Screen type covers have been built and placed over the drains to prevent debris from entering and causing issues.

Future plans for this budget year include expansion to the office for a bathroom and 4 new dog kennels that will be utilized for isolation/quarantine. They are also discussing expanding the outside dog kennel runs next budget year.

Sgt. Wilkerson has recently applied for grants for a food program, medication program and anti cruelty program. He and ACO Beck are now both certified to give rabies vaccinations.

Paperwork is well within compliance.

All animals on the premises appear happy, healthy and well cared for.

Narrative Explanation

I have no new concerns at this time.

I am very pleased to see such hard work, dedication and care for the animals being done. I feel that each employee is sincere in making this shelter succeed in all areas. This is evident from what I have experienced today.

I will return on a as needed basis.
