perform the EBI but has not been initialed after Euthanasia . Dr. Shelton advised he would starting today.

The staff advised the Humane Society is going to paint the outside of the shelter.

The county is also going to replace the drain on the back side of the outdoor runs with a larger drain pipe instead of utilizing a grate to catch the solid waste.

I am approving this inspection today,however a follow-up will be done to ensure the forms are being signed by Dr. Shelton.
