	Need to add comingling or socialization in your forms. They ~~A~~ I showed them what a treatment sheet looks like, and how to use it. Also on paper work ~~you~~ add a Emergency Veterinarian if there primary vet is not available. Cages in back which have solid backs is the ones they are going to use to board in. ~~Pl~~ They have ordered 2 new units. Play area need to cover wooden fence or bring secondary fence out about a 1 foot away from wooden fence. For now keep dogs on leash out here till you get wooden fence took care of. They have 6 inches of rock in here great job. Second play area has wooden fence and needs same issue here took care of. Also second play area has bare dirt issues need to keep dogs off bare dirt. For now we will use the large rocked play area till we have better grass. I think they are ready for a lic but call when you get fence covered or secondary fence prepared. Use it for now with dogs on leash supervised. Place is clean and smells great, we disscussed shots, and records.
