Narrative Explanation

I performed a follow up inspection today and found a few inadequacies that need to be addressed.

0204 Surf. impervious to moisture: Multiple kennels need painting where paint is chipping as noted during last inspection.

0204 Enclosures in sound repair: Secure bottom fencing on multiple kennels to prevent injury to dogs.

Place clean linen in sealed container or cabinets to prevent contamination as noted during last inspection.

The facility has 60 days to correct the problem. I will return at some point after the 60 day period for re-inspection of the facility
