Cont.

Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	This facility has been kept licensed even though almost unused over the past year. Today I met with the new manager and reviewed all items and the corrections that must be made before opening.	
	1) Apt. Bldg. - Kennel blocks must be sealed.	
	✓ ✓ Re-paint ceiling in cat cages. (4)	
	✓ ✓ Paint floors. (4)	
	✓ ✓ Install sink for cleaning food/water pans. (16)	
	✓ ✓ Double Doors need painting.	
	✓ ✓ Replace flooring in one cat cage. (#39)	
	7) Guilotene doors need to be added so there will not be problems with cross contamination. If guilotene doors are not installed, a cross contamination barrier must be added in each run.	
	The existing resting platforms are in good shape - okay to use as long as wood is not damaged.	
	OFFice Bldg. - The existing wood is chewed and must be replaced with a non-wood product. Kennels will not be used until corrections are made.	
	Remove 2 wood dog houses.	
	15) A Refrigerator must be available to store perisible food.	
	18) Building is to be thoroughly cleaned and disinfected.	
	Grounds - General yard maintance is needed - Remove yard debris - limbs, leaves, etc. Mow grass.	
	Area under gates needs to be built up.	
	Check fence lines.	
	Drain between Apt. Bldg + OFFice Bldg. needs a grate to prevent injuries.	
	7) Fencing in exercise yards must be at least 5 feet in height.	
	8) Manager plans to install gutters over kennels to aide in proper drainage.	
	Re-Inspect in 30 day or sooner if called.
