Narrative Explanation, if needed

Follow up inspection done today. Items in need of correction from previous inspection re-addressed as follows. 0207> The Play yard area remains a concern. However, the owner has advised me that they have someone contracted to do the job of filling in and covering the area in question. They have opted to use grass. I am satisfied at this time that the project is underway. All other aspects of this kennel are within AWA compliance. All animals on premises appear to be happy and healthy. I will return in or around 60 days to check on progress. This inspection is approved.
