Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Shelter is very clean, odor free, dogs + cats look good, records in order. Discussed changing "S" hooks to snap hooks on guilotene doors and Outdoor exercise yard on left side. Grass is very sparse - if good grass cannot be maintained then the only other options are sealed concrete or 6 inches of gravel. The next inspection will have to be disapproved if the outside yard issue is not addressed.
