Narrative Explanation, if needed

Follow-up inspection from 9/11/12.

Items Corrected:

1. .0204 Outdoor Exercise Yard - There was no standing water found today. Management advised that this problem is being closely observed and at the present they are utilizing a pump and drain line when it rains enough to prevent water accumulation in the far right corner of the play yard. Discussed again making sure the area behind the fence is free of any debris that would inhibit drainage.
