| Item Number | Explanation of Inadequacy (circled items above) And Recommendation For Compliance | Date Corrections Must Be Completed |
|---|---|---|
| | New licensing inspection today. | |
| | Adopt an Angel adoption group is providing the cats and cages, Pet Supermarket cleans, feeds and adopts for AA. | |
| | Inspection today is Conditionally Approved Contingent upon the following being Corrected: | |
| 7) | Cat cages - Sheetrock cannot be used between cages - only a non-wood, non-porous material. Cages are coming apart - must provide good quality, safe, secure cages that are easily sanitized. | |
| 13) | Cat litter and dry food are scattered on ledge behind cages - more detail to cleaning needed. | |
| 14) | Cat cages need a more thorough cleaning - cat litter found under the linoleum and in the outside cracks. Empty cage contained a dirty food and water bowl - must be sanitized when cage is emptied. | |
| 26) | Molly the cat did not have an AC # on her records. Work on records of origin more thoroughly. | |
| 30) | Store needs to set up an area for isolation if it is needed. | |
| | Recommend not housing cat cages on carpeted area and not housing cats until better cages can be provided. | |
| | Re-Inspect in 30 days. | |
