Cont.

Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Follow-up from 11-3-08	
	Items addressed since 11-3-08:	
	1. Dry wall has been painted in isolation room.	
	2. Area behind sink that had mold and holes in the dry wall has been covered with showerboard.	
	3. Owner is now logging medications other than vaccine + wormer.	
	Comments:	
	One boxer mix pup was in isolation today. A vaporizer was being used - coughing has been the issue with that pup.	
	Small thin cloths are being used for resting surfaces. Discussed with owner using something that would give pups more protection from the wire bottom cages.
