Cont.

Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Comments:	
	Kennel Temperature was 66° at 9:35 Am.	
	Owner is now logging name of medication. Still stressed the need to include the strenght of any prescription medication.	
	Owner has installed a fenced runway from the Kennel building to the exercise yard with a square stepping stone walk way.	
	Discussed Keeping the gravel maintained in both exercise yards - Owner stated that a load of gravel is on order. Discussed creating a gated area so that a truck could come into the yard thus lessening the amount of wheel barrow work required to haul in the gravel. Continue to keep all holes filled and remember "no bare dirt".
