Narrative Explanation

Annual inspection today. Shelter Manager Dana Hardin in attendance. New items of concern as follows.

1. 0204> The galvanized fencing that makes up the dog kennel primary enclosures is showing signs of rust. These will need to be repainted/resealed.
2. 0204> Several spots on the kennel floor are showing signs of wear. Suggest repaint/reseal of these areas.
3. 19A-32.1> (I) The shelter will need a copier/printer in order to make copies of photo ID to release an animal to the public as stated in the general statue.
4. 0210> The shelter has a dog that was brought in today and that is what is to be believed a hit and run victim. The shelter is at this time transferring said canine to the local veterinarian for treatment. The dog is also believed to be some ones pet so every effort is being made to locate.

The other animals on premises appear happy, healthy and injury free.
All paperwork is in compliance with the one above exception and this will be rectified.

I have provided Dana with the 72 hour hold rule and she has acknowledged that she understands and she will pass it on to the ACO Bill Person Jr.

I will return in or around 60 days.
