## Narrative Explanation, if needed

Annual inspection of this holding facility done today. Earlie Boone Town Supervisor for Public Works in attendance. The only concern at this time is that there is a few spots of rust noted on the galvanized fencing that the 2 primary enclosures are made of. This will need to be repainted/resealed. All other aspects of the AWA as they pertain to a holding facility/shelter are in compliance. I will return in or around 60 days for a follow up on this correction. This inspection is approved.
