Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	I Preformed an annual inspection today. There were a couple of issues that need addressing.	
	1) The wooden door in back kennel needs replacing. The door also going into the suites needs replacing.	
	2) The food needs to be in a sealed container. I found an open food bag.	
	3) The records on medication need to have time, date, and initials on medication sheets.	
	These items need to be addressed within 30 days.	
	This is ~~an~~ older building, and the staff does a good job keeping the kennel clean.
