Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	I Performed a Courtesy Inspection on 6/19/06. At That Time I Observed The Concrete was Coming up in The Main Kennel. (This is going to be worked on starting this weekend). The Kennel would need to be Painted. (This is also going to start within the next month). There are 3 Kennels in the green section on the outside that need repair. Need Timeframe on this). Floors in the Kennel need resealing. Overall Shelter is not in bad shape. Advised Animal Tech's to make sure they initial and put time on Kennel cards.	
	Temp is OK.
