Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	This report is a summary of the items discussed at a meeting today with Dr. Jack Griffith, Pender Co. Health Director Kevin Curry, Shelter Manager and Darlene Clewis AC Officer at the Pender County Board of Health Office in Burgaw.	
	When I did my 30 day Follow-up inspection on 8-31-07 I found very few of the inadequacies had been addressed. Kevin Curry had walked away from his duties and it was not known if he would return. Since Kevin was not there to give me any answers, I went to Dr. Griffith. He requested I come back when we had more time and all could be present.	
	Today Dr. Griffith let us know the air conditioning for the kennel should be installed next week. The windows in the kennel that are not covered by anything will be blocked up. This wall will be ajoined to the adjacent row of kennels so that the dogs will have access to outdoor runs while kennels are being hosed out.	
	The Cat room - existing cages will be re-modeled so a litter pan may be used and resting boards of plexigloss used. Additional cat cages will be ordered.	
	A 5 foot perimeter was discussed if dogs are left in outside runs.	
	It was understood Kevin Curry would be leaving his position in 2 weeks.	
	Also discussed the possibility of having a holding pen in another part of the county because the county is so large and they have so few officers.	
	I did not discuss a follow-up date but plan to check on the progress in 30 days. N/A Today
