Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	This is a follow-up inspection from 8-31-07	
	The following changes have been made since 8-31-07:	
	1- Air Conditioning has been installed and is working - Thermometers in place to monitor temperature in Kennel area - Today at 3:30pm - 78°.	
	2- Cat Room has been cleaned and painted and center divider cut out to make room for litter pan and resting board in existing cat cages. Odor products are being used as well as having additional cleaning of litter pans done - Twice a day or more if needed.	
	3- Perimeter fencing is being installed - Not complete yet.	
	4. Grounds have been moved. They are now on a regular mowing list by the parks and recreation department.	
	5- Until a shelter attendant is hired, AC personnel help with feeding and cleaning in the morning and the contract personnel take care of that in the afternoon. 6- Food is Now Stored Properly. 7- Lighting is now working outside.	
	Items stilled to be addressed:	
	1- Floors and Painting - Those will be the last to be addressed. Hot Water in Shower room will be fixed at this time.	
	2- Unloading area - Started but not finished with clean up yet - hauling out old dog houses, trash, etc.	
	3- Cat Isolation will be in place when new cat adoption room is finished.	
	Very Pleased with these changes. Re-Inspect in 30 days.
