Narrative Explanation, if needed

Items to address: .0204 Outdoor exercise yards - The gates at the left , right and back outside exercise yards have small rust areas that need to be cut out and a galvanized elbow installed or owner may choose to replace the entire pole. The owner is currently making improvements in the exercise yards and kennel areas.

Comments from the past inspection: A suite has been created and is fully complaint. The strength of the prescription medications are noted now on the medical logs.

The kennels and facility are very clean, records are in order, temperatures are in range in all areas. Continue to address any non burning lights and make repairs as needed.

Follow-up in 30 calendar days.
