Pender County Animal Shelter	Pender County Goverment	Burgaw	NC

Narrative Explanation

Random inspection performed today.

Since the last inspection the shelter has installed a curtain that can be raised and lowered on the northeast side of the outdoor kennels. The provides shade protection in the morning time of day then they are raised to increase air flow. All of the plastic dog houses have been replaced now except in 2 kennels and they are on schedule to be replaced. The new chew proof houses appear to be working well.

The shelter has added a 3 stall equine / large animal barn with outdoor corrals. They also have a trailer on site for transporting large animals.

Evidence is seen to indicate Pender Co. is working to improve the animal shelter.

At present items to be corrected:

.0201 Facilities / Sound Repair - Multi - purpose room (food bowl cleaning / laundry / euthanasia) - wall behind the free standing sink is in bad repair from water damage. Replace the damaged wall - advise installing a product that is water proof after the wall is replaced to prevent future water damage on the wall. It was also noted today the free standing sink only has one side. For the amount of animals being cared for at this shelter it would be beneficial for sanitation reasons that there be a 2 sided sink installed with a drain board.

.0202 Indoor Facilities / Ventilation - Multi - purpose room - It is noted today the industrial dryer vent is vented on top of the dryer in this room. There is lint (dust) and heat being dispersed into this room. Dry vent needs to be vented to the outdoors.

Follow-up inspection in 90 calendar days (9/22/14)
