Narrative Explanation

Follow up inspection today. Cora Tyson is in attendance.

As mentioned in previous inspection, this holding facility is operated by the owners and staff of Helens Pet Motel yet is a separate entity. Due to this different arrangement , within the same facility, most all corrections that are required are for both.

Since last inspection there have been a number of improvements. Such as the painting of the ceiling in the main building and new tarps installed to the open outside areas of the dog kennels. The concerns I have for the inside kennel cages rusted gate doors remains and I am told that animal control were to be either repairing or replacing them.
I will be meeting with the head of animal control, Officer Tim Langley , to discuss what is to be done. This issue will need to be addressed no later than my next inspection.

I have no new concerns at this time and will follow up in or around 45 days.
