Narrative Explanation, if needed

Random Inspection today. Owner Cora Tyson in attendance.

I arrived at the facility today to find a new grooming tub has been installed. With this being done the installers rebuilt and waterproofed the wall behind the tub and repaired some minor plumbing issues.

Materials have been purchased to encase the grooming/holding kennels for this area. This work will begin shortly. Work to complete the indoor boarding kennels remains in planning stages. This should all be decided on over the next few weeks and implementation to begin soon thereafter.
