Narrative Explanation, if needed

Annual inspection done today with owners Angela and Drake Parker in attendance.

I have been advised that as of September 2015, The Parker's are no longer offering boarding. The only boarding that is done is for the training side of Top Dog. Day Care continues as before.

The facility today, as in all my previous inspections smells clean and fresh. This is to include the outside play yard area as well. The kennels, crates and inside play areas are clean and in good repair. Maintaining of the building

Narrative Explanation, continued

is well evident. The Parker's dedication and care for the dogs that come here is very obvious as you walk through the facility.

The canines on the premises today appear healthy, happy and well adjusted to the environment.

Paperwork, to include the Day Care contracts, are within compliance.

The construction on the new building that the Parker's are erecting, is in progress. It will be located a few hundred feet from the current facility. Angela and Drake are aware of the requirements per the AWA (Animal Welfare Act). We have discussed some of these in the past and I am confident that they are and will be in compliance with the completion of the new building and yards.

They will contact me with any questions or issues that may arise. The current plan for them is to be finished in August of this year. They will notify me prior to the move in to come and do an inspection.

I have no concerns at this time with current or future facilities.

This inspection is approved.
