Narrative Explanation

I performed a follow up inspection today and found a few inadequacies that need to be addressed.

0202 Imperv./Sanitary surf., indoor: kennel # 16 has chewed exposed wood that must be replaced. Any damaged wood must be replace in a manner that does not permit contact with wood by the animal. Do not use this kennel until wood has been replaced.

19A.32.1(h) :Owned animal surrender, ask if there has been a bite w/in 10 days. The owner of animals surrendered must attest if animal has bitten anyone within 10 Days.

Kennels will be painted NLT January 2016.

I have taken pictures of all inadequacies indicated, above.

I examined the records for the animals at this facility; they were complete and adequate.

0204: Feline area walls and floor has been sealed.

0202; Quarantine building has a new A/C and extended timer the odor in this area has greatly improved.
