Narrative Explanation, if needed

Follow-up inspection from 9/27/12

Item Corrected: .0101 Records / Shelter; description - today there is much improvement noted with the intake records. There has been more attention paid to recording the age, color, breed and sex of the dogs and cats. Continue to encourage ACO's and shelter employees to take time to correctly document the description on all the dogs and cats. Cleaning was ongoing during this inspection. Temperatures were in range in all areas.
