Narrative Explanation

Inspection Results	Date of inspection
Approved	Jan 27, 2015

Sampson County Animal Contro	Sampson County Goverment	Clinton	NC

Narrative Explanation

Random inspection performed today.

Items to correct:

1. .0204 Primary Enclosures - Sound Repair - There are rusted areas on the gate poles that need to be replaced. Most of these can be repaired by cutting out the rusted area and installing a galvanized elbow. Shelter has the option of repairing or replacing the gates. The following k-9 areas have rusted gates: Row 1, 6 gates, row 2, 8 gates, row 3, 4 gates, row 4, 10 gates, quarantine 6 gates. There were a total of 34 gates noted with rusted areas. Discussed painting the fence poles that are not rusted to extend the life of the fencing.

2. GS 19A-32.1 (i) - Copy of goverment ID - shelter has stopped making a copy of the goverment ID on persons adopting dogs / cats. Resume this policy and attach the copy to the adoption contract. Noted the adoption contracts are not being signed. Director has been advised to meet with the staff and make these corrections.

3. GS 19A-32.1 (g) - Owner surrender held unless proof ownership & signed surrender. All dogs / cats must be held a full 72 hours before releasing (adopting) or euthanizing unless there is signed owner surrender and proof of ownership.

Comments:

Since the last inspection the Director has begun painting the k-9 area floors. Half of the floors have been painted. It looks very good and adds light to the interior.

Follow up inspection on item #1 - 60 calendar days - 3/27/15.

Follow up inspection on item #'s 2 & 3 in 30 calendar days - 3/2/15.

☐ check here if a euthanasia inspection form is attached
