Transportation: Food and Water / Transportation: Care

Inspection Category	Result		Inspection Category	Result
0303 Food & water during transport	Acceptable		0304 Observation of animals	Acceptable

Narrative Explanation, if needed

Husbandry is great! Facility is odor free. Temperature is in ambient range. New paint on kennel block walls has started to chip off. Sherwin Williams has repainted once but problem is still occurring. They are waiting on Factory rep to come out to take sample of the old and new paint to figure out what is causing this problem. Drain cover on outside drain needs to be tightened down to lift it back up.
