Narrative Explanation

I performed a follow up inspection today and found several inadequacies that need to be addressed.

0102. Origin of animals: Mr. Fowler provided me with records of animals that have been surrendered with no other information and origin when I pointed this out he said say they are all from Jackson County I refused and took the papers back inside. He returned with paperwork with origins however it is still incomplete I explained to Mrs. Fowler paperwork must have previous owner information & signature or facility information.

0204 Enclosures in sound repair: Replace severely rusting outside kennels, repaint ones with minor rusting as noted during last inspection.

0204 Enclosures in sound repair: Leaning fencing kennel number 3 has been secured.

0204 Enclosures in sound repair: Gravel has been added to all outside kennels.

0204 Enclosures in sound repair: Metal sharp edges around doors in outside kennels has been removed.

I examined the records for the animals at this facility; they were incomplete and inadequate.

I have taken pictures of all inadequacies indicated, above.

Facility is to submit a corrective plan of action to the Animal Welfare Section within 5 business days. I will perform a recheck of this facility in approximately 30 days.
