Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	I Conducted a Follow-up inspection on 4/17/07. I Performed an inspection on 2/20/07 which was also a Follow up. On the 2/20/07 inspection the following concerns still needed addressing.	
	The Shelter has started painting the kennel walls. This was indicated on the last inspection. I observed 5 kennels that were painted. However there are more in need of painting.	
	The second issue was the ceiling and walls. Both ceiling and walls need repair still.	
	I observed some rodent droppings on the prior visit. However I observed none on today's visit.	
	I also observed some kennels were the gates need repair.	
	The floor has cracks that need to be filled in the kennel area.	
	The staff is working on improvements but still have work to do.	
	I will do a re-inspection in 2 months.
