Narrative Explanation

I performed an annual inspection today. The facility was in the process of being cleaned. The building is over 40 years old and requires continued maintenance. 0201- The ceiling in the office and the kennel areas are in need of painting. The paint is coming off.

0202- The paint on some of the floors and kennel walls are popping up and needs to be repainted to keep the floors and walls imperious to moisture.

The records on the animals housed are within compliance.
