Narrative Explanation

I performed a new inspection today. The facility only adopts Cats or Kittens. I met with Mr. Charles McCombs the founder of CFP. I discussed the rules governing Animal Welfare and what is required to operate a private shelter. The animals come from the Wake County Animal Shelter. There are normally 2 or 3 Cats or Kittens at a time at the facility. After the meeting I performed a new inspection.

The facility was clean and I observed no odors. The store has a room they will utilize as Isolation. We discussed record keeping and the store and the store utilizes AMS record keeping system. The records are within compliance. The stores are doing a good job complying with the rules.

Once the required paperwork is received the store can be licensed.
