Narrative Explanation, if needed

I performed an annual inspection today. There are a couple of inadequacies that need addressing. The door on the old outside bathrooms need to be replaced. It was destroyed by wind damage.

The other issue is the outside play yard needs to have some type of covering installed. I suggest 6 inches of gravel, grass, concrete or black top. If they find a rubber material that can be cleaned that will also work. -0207. The outside property is owned by the railroad company. The owner of the business will have to talk with them first to see what she place as ground cover.

The records on the dogs board.
