Narrative Explanation, if needed

I performed a follow up inspection. The issues addressed on the 9/13/13 are being corrected. The owner has started covering the wood that has been damaged in the Cat room. The owner is doing the work herself and hopes to finish after the holidays. The crack on the outside kennel will be sealed once the weather warms up. I will follow up in 60 days.

The animals boarded look healthy and the records are good on the animals boarded also.
