Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	I visited the SPCA of Wake County today to perform a Euthanasia inspection. The SPCA is licensed as a private shelter with our department.	
	I was met by Mrs. Debra Steely the shelter manager. Mrs. Steely advised prior to monday September 28 2009 her staff were performing Euthanasia. Dr Alice Hunsucker DVM was also performing Euthanasia. Mrs. Steely advised that she and her staff were not certified as CET. Mrs. Steely advised she was not aware that certification was required.	
	Mrs. Steely did attend the rules meeting held in March 2009.	
	Mrs. Steely had the required manuals	
	Mrs. Steely advised that Dr. Hunsucker had submitted an application sometime back to instruct Mrs. Steely and her staff. I inquired with our office about the application and it was not recieved. The shelter is going to re-submit the application today.	
	I advised Mrs. Steely until she and her staff are certified only Dr. Hunsucker can perform Euthanasia.
