TELEPHONE: ( ) -

Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
Follow-up from 9/09/10		
Items Addressed:		
1- Current Rabies vaccination records are on site for each dog in house.		
2- #9, #3 Suite doors had the damaged screens removed.		
3 #2, #3 suites - Peeling Plaster has been addressed.		
Items Still to be Addressed:		
1) Door frame into isolation / grooming area still needs attention. The door frame is battered and needs either to be made smooth and painted or replaced.		
7) Suite #'s 1, 2, 4, 5 - The area on the inside of the door that encases the window is damaged. Owner may replace the damaged molding or may replace the doors with chain link gates constructed out of 9 gauge 1 inch wire. It is evident the materials being used are not sturdy enough to prevent the dogs from destroying them. Acrylic on the back side of the large exercise area door is broken - replace broken acrylic.		
20) An open bag of dry food was noted. Keep all open bags of dry food and treats stored in a covered container.		
22) Dog/Crate Ratio was out of compliance - 5 dogs unattended. Only 4 dogs may be unattended in the exercise area.		
Re-Inspect in 30 Calendar days
