0303 Food & water during transport	Not Applicable		0304 Observation of animals	Not Applicable

Narrative Explanation, if needed

Purpose of today's visit is for the facilities follow up inspection to it's grand opening in November. Facility is clean & odor free at time of inspection, no apparent signs of illness & ambient temperature was within range during my visit. All records were in order. Owner's have implemented new policy and procedures with the new location that assist in the ease of cleaning and care taking of the animals on a daily basis.
