Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Follow-up from 5-1-08	
	Comments:	
	All outdoor exercise yards - Areas that were bare dirt either has had gravel installed or seeded grass and has grass growing and covering the bare dirt. Not all areas are thickly covered yet but today I found the staff are watering the grass restricting dog exercise to one yard. There were no holes or old feces found today. It is evident the staff have been working very hard to bring these yards into compliance. Continue to work to maintain these yards - Remember - No Bare dirt.	
	Shelter temperature is 80° at 11:30 Am.	
	Drains in Isolation Runs all have covers today.	
	Food is stored properly.	
	No visible signs of illness in main population -	
	Kennels are clean and odor free.	
	Long range goal of shelter is moving to a new facility hopefully in the next 3 years.
