Comments:

Cat Room - discussed w/owner either re-sealing or using non-wood material on some areas that cats are scratching.

Outdoor - gravel - exercise yards - grass is growing through the gravel - owner plans to use a product to kill the grass that is dog safe.

On 3-11-08 inspection grass in "grassed" exercise yards was woren and thin in some areas. Today the grass is much thicker only need to pay attention to not allowing dogs to dig holes and keep high traffic areas maintained.

Discussed getting the strenght of all prescription meds. Staff is logging meds but not all strenghts are logged.

Kennel is clean and odor free, records are in order.
