| | I Performed a Courtesy inspection on 6/26/06. The Shelter has much improved. The Shelter now has hot water for cleaning. The lighting is much better. The cat cages are in great shape. Working on the ceiling on the inside. Had water issues with the ceiling. One issue to be addressed is Dog Pen #5 concrete on top needs repair. Also Pen #7 chain link is loose between the cages. Food is now stored in containers. PAWS is now assisting in the operation of the shelter. Shelter is starting to look. Need to continue working on same. Getting ready to add on to the shelter plus adding new and updating the ventilation | |
