Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	On 11/20/06 I Performed an inspection and addressed the following issues. 1) Issue was cracks in the kennel flooring. This has been corrected. Another issue was resting pads for the dog kennels. That has been completed and there is resting pads. Another issue was lighting in the kennel. That has been corrected. Another issue was painting the kennels walls and resealing. This has been completed. The insect vermin is being taken care of. Another issue was food bowls, need replacing. This is being done. The driveway needs to be graded. Another issue was storing of the food. It is now in containers. This shelter was built in the 50's. The staff is working to make the shelter to come into compliance. They are working everyday to make it better. The staff needs to continue to make improvements. A new shelter is planned to be completed by 2008. Please continue the good work you have started.
