

The Interagency Nutrient Management Committee will present an on-line seminar to update technical specialists about coming changes to the tables used for calculating the plant availability of manure nutrients. The webinar will be recorded for later viewing through YouTube.

Event: *Nutrient Management Update - New Tables for Calculating Plant Available Nutrients*

Date: Thursday, June 20, 2013

Time: 9:30 AM to 11:30 AM Eastern

Cost: Free

You will participate in this seminar online through Blackboard Collaborate, NC State University's synchronous learning management system. Faculty and staff at NC State use this tool to hold virtual webinars and teach classes for participants all over the world.

Advance Course Preparation

Computer Configuration: This is a 3-step process that must be completed prior to your first Collaborate event. To provide ample opportunity to trouble shoot before your webinar, please complete all three steps at least 24 hours in advance of your course.

Begin Computer Configuration Now: <http://go.ncsu.edu/configuration>

Join the Live Collaborate Session

1. Click the link below before 9:30 AM, June 20, 2013:
<http://go.ncsu.edu/nmp-training-jun20>
2. Login as "Guest" by entering your email address and the name you wish to appear in the list of participants. Then click LOG IN.

Watch the Recording

If you are unable to participate in the live webinar, a recording will be accessible Jun 21 using the same URL:
