I have _____ / have not _____ previously been awarded a scholarship by DSWC.

I understand that a limited number of scholarships may be available and that all applicants may not receive a scholarship. Selection criteria is based on but not limited to: continuing education need, funding availability/approval, and previous scholarships awarded to applicant. If awarded, the scholarship will cover attendee's registration fee to attend the event and subsistence at the currently approved state rate (meals and hotel). The registration fee is paid directly to the event coordinator (ex. NCSU), not the attendee. Subsistence is paid directly to the attendee.

3. After the Scholarship Application cut-off date, the Scholarship Review Committee will confirm scholarship awards. In the event the requests exceed funding, the committee will use selection criteria to award the scholarships. Selection criterion includes, but is not limited to: continuing education need, funding availability/approval, and previous scholarships awarded to applicant.
4. Division staff will submit a funding approval request for those selected to the Division Deputy Director for budget approval.

All applicants will be notified of the status of their application as soon as possible after final decisions are made. The names of applicants receiving scholarships along with their registration forms will be sent to the event coordinator. **The applicant will not be reimbursed for registration fees. The registration fee will be paid directly to the event coordinator.** Applicants will be notified of their scholarship status in time to make final plans to participate in the training.

5. The scholarship will cover the attendee's registration fee to attend continuing education at the specified event as well as subsistence costs pursuant to NC Office of State Budget and Management policies.

Current reimbursement rates for meals are as follows: Breakfast \$8.20, Lunch \$10.70, Dinner \$18.40. Meals that are included in the registration fee are not eligible for reimbursement to the attendee. Receipts are not required for reimbursement for meals.

Reimbursement rate for mileage is \$0.25 per mile. A certification must be included documenting that no county, state or federal vehicle was used for associated travel.

On a "travel only" day (i.e. travel to and from training) meals are reimbursed in accordance with Departure/Return times. Breakfast can be paid if departure from duty station/home is prior to 6am, Lunch can be paid if departure is prior to 12pm, Dinner can be paid if departure is prior to 5pm. Breakfast can be paid on the day of the return trip to duty station or home, Lunch can be paid if arrival at duty station or home is after 2pm, Dinner can be paid if arrival is after 8pm.

Hotel reimbursement request; max that can be paid is \$65.90 plus pro-rated tax (attach fully taped receipt). Employees must be at least 35 miles from home or their duty station (whichever is less), and must stay overnight to be reimbursed for hotel lodging.

6. Reimbursement forms shall be completed with supporting documentation and submitted to Natalie Woolard.
