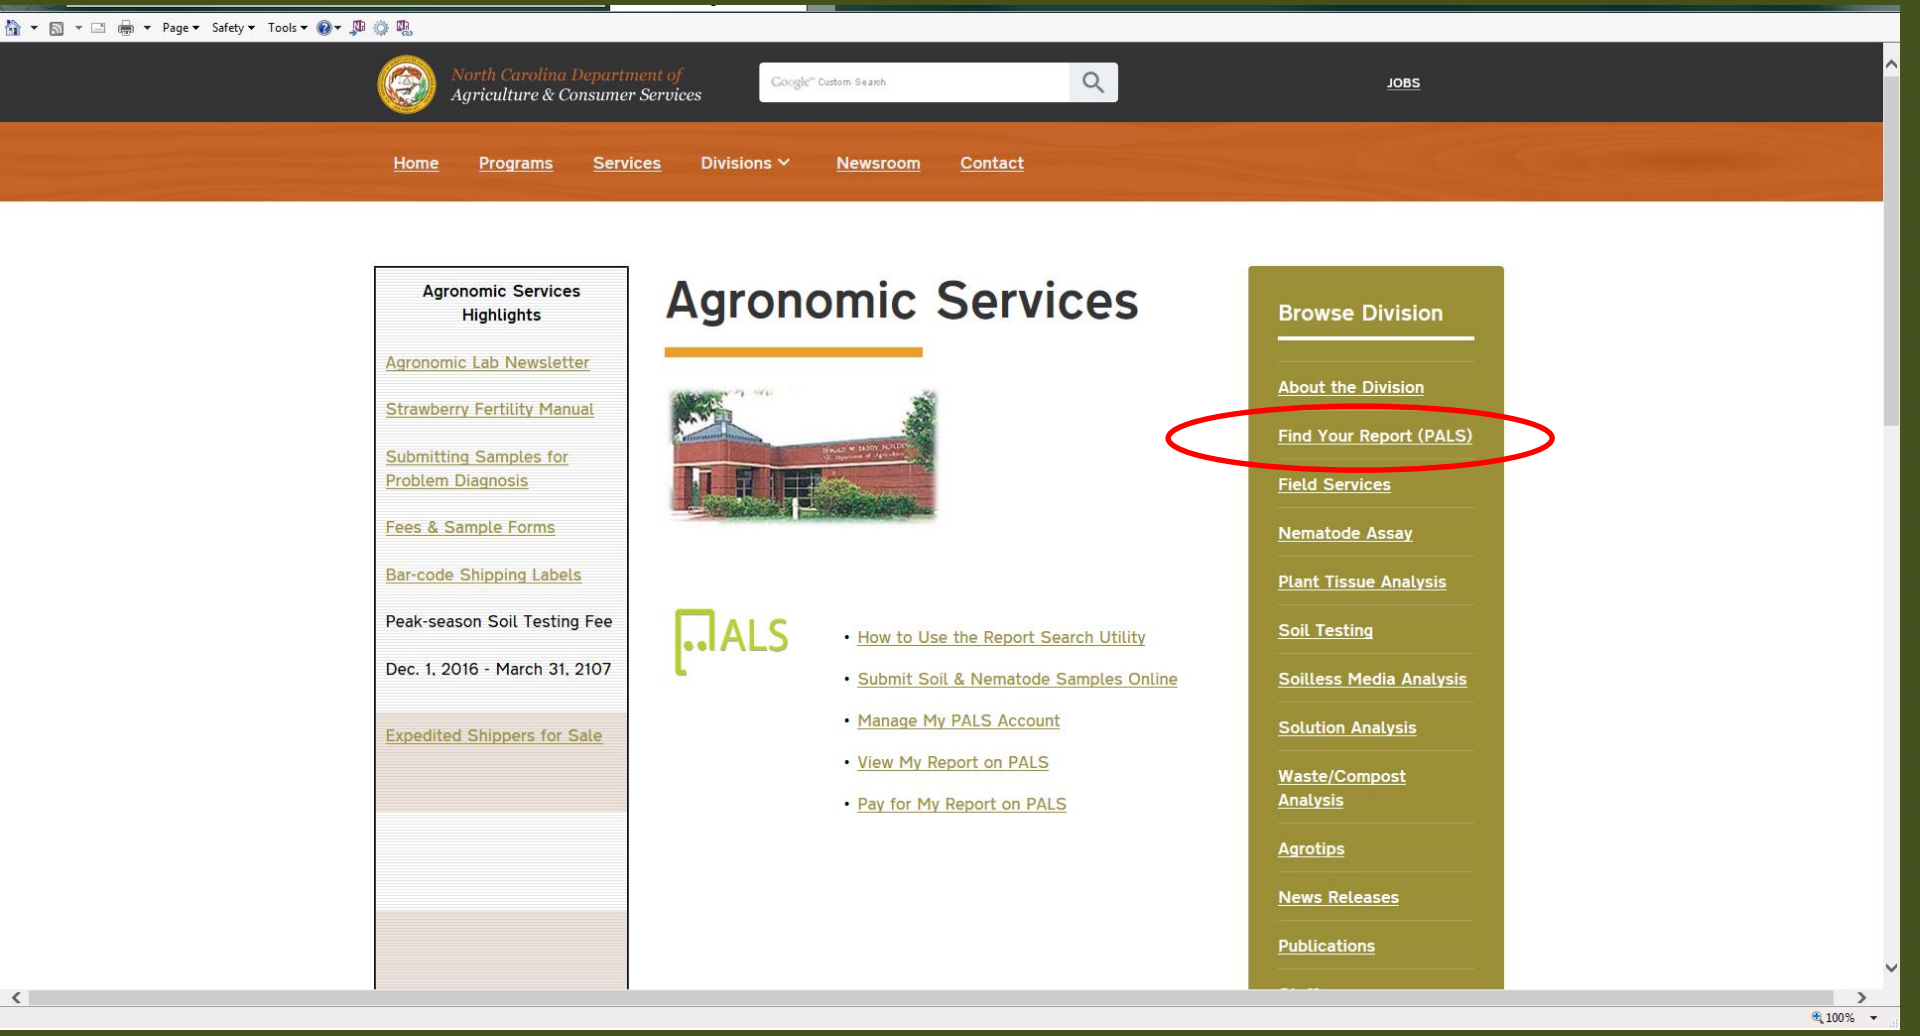
Using PALS for Online Data Entry

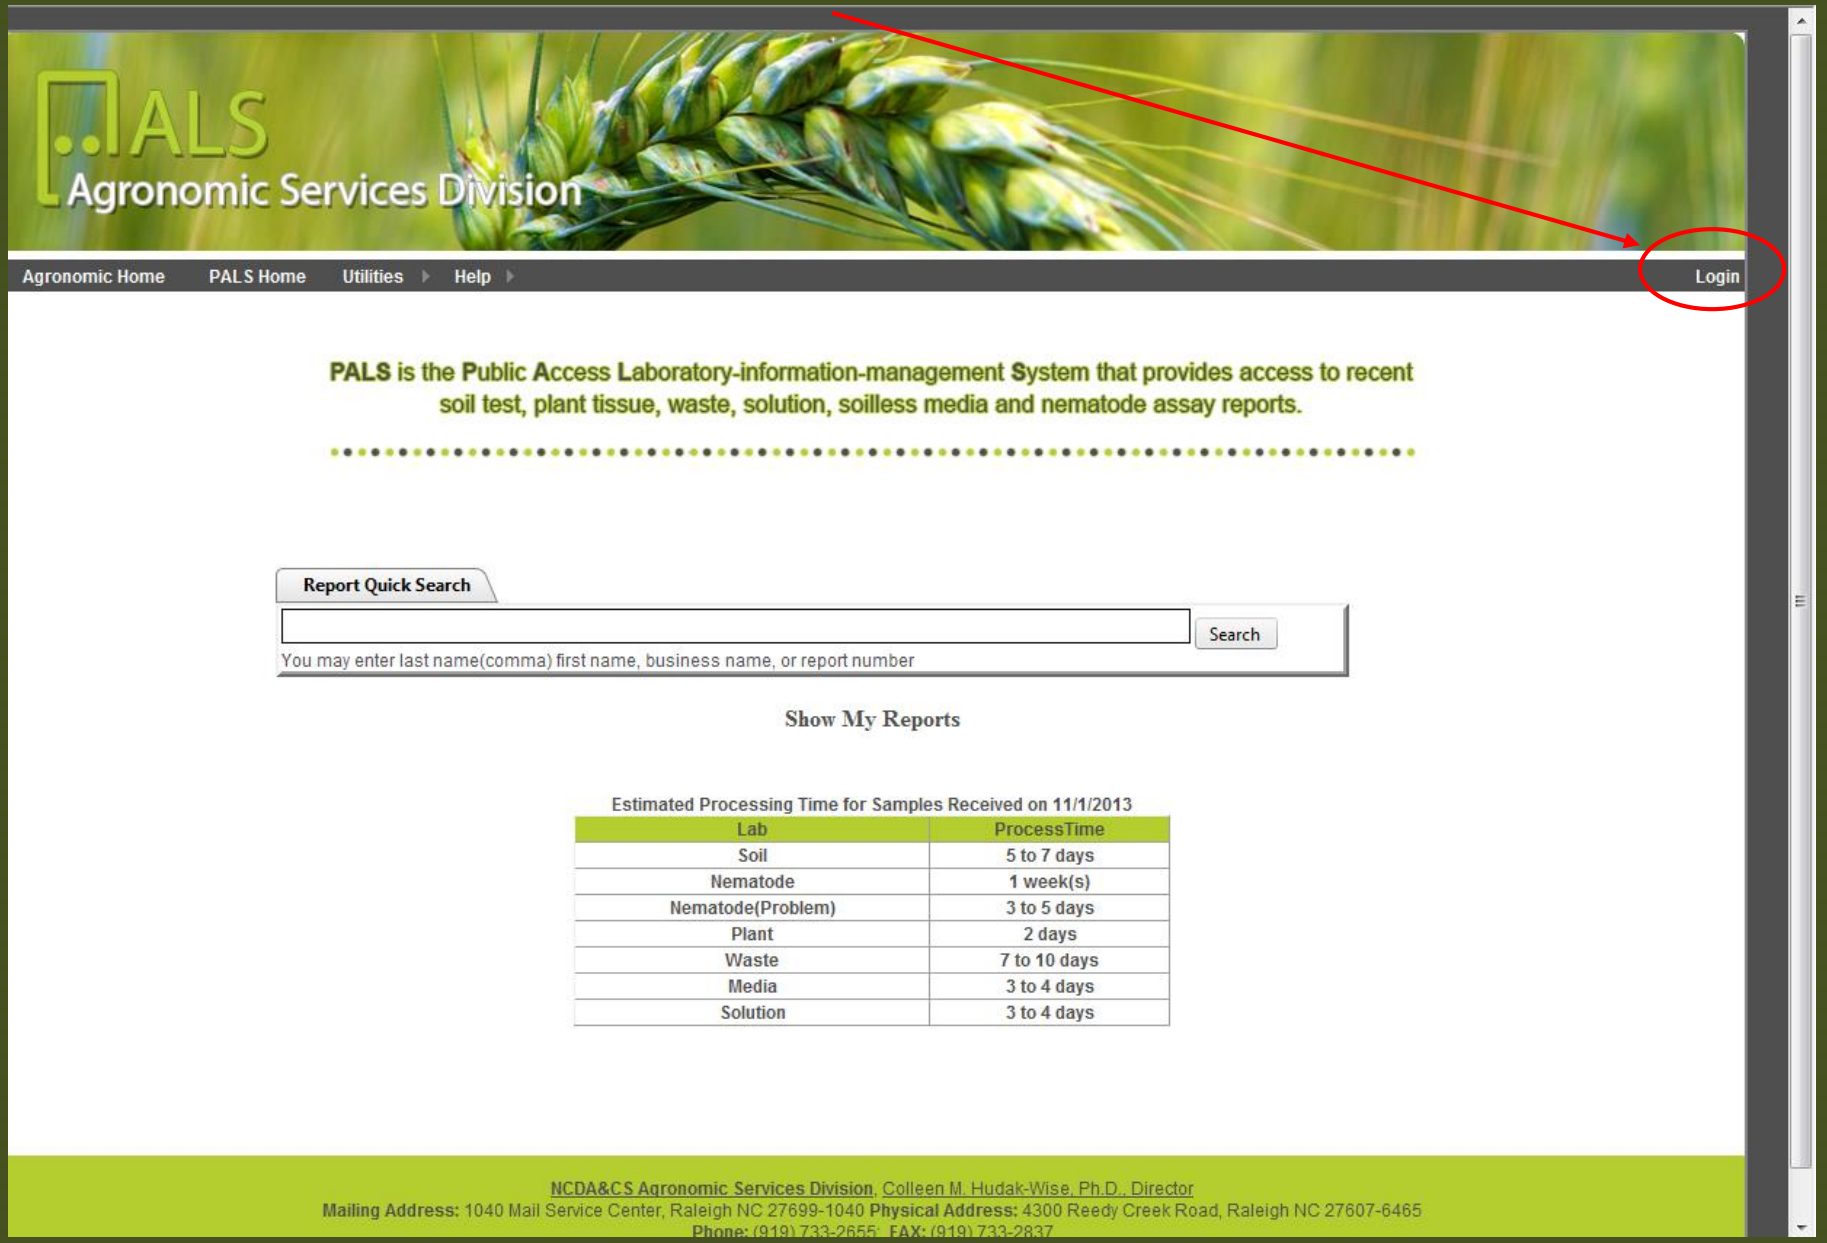
September 2016

How do you access PALS (Public Access Laboratory System)?

Click on the link that says FIND YOUR REPORT (PALS).



If you want to do online data entry or pay for samples using a credit card, then you need to log in.

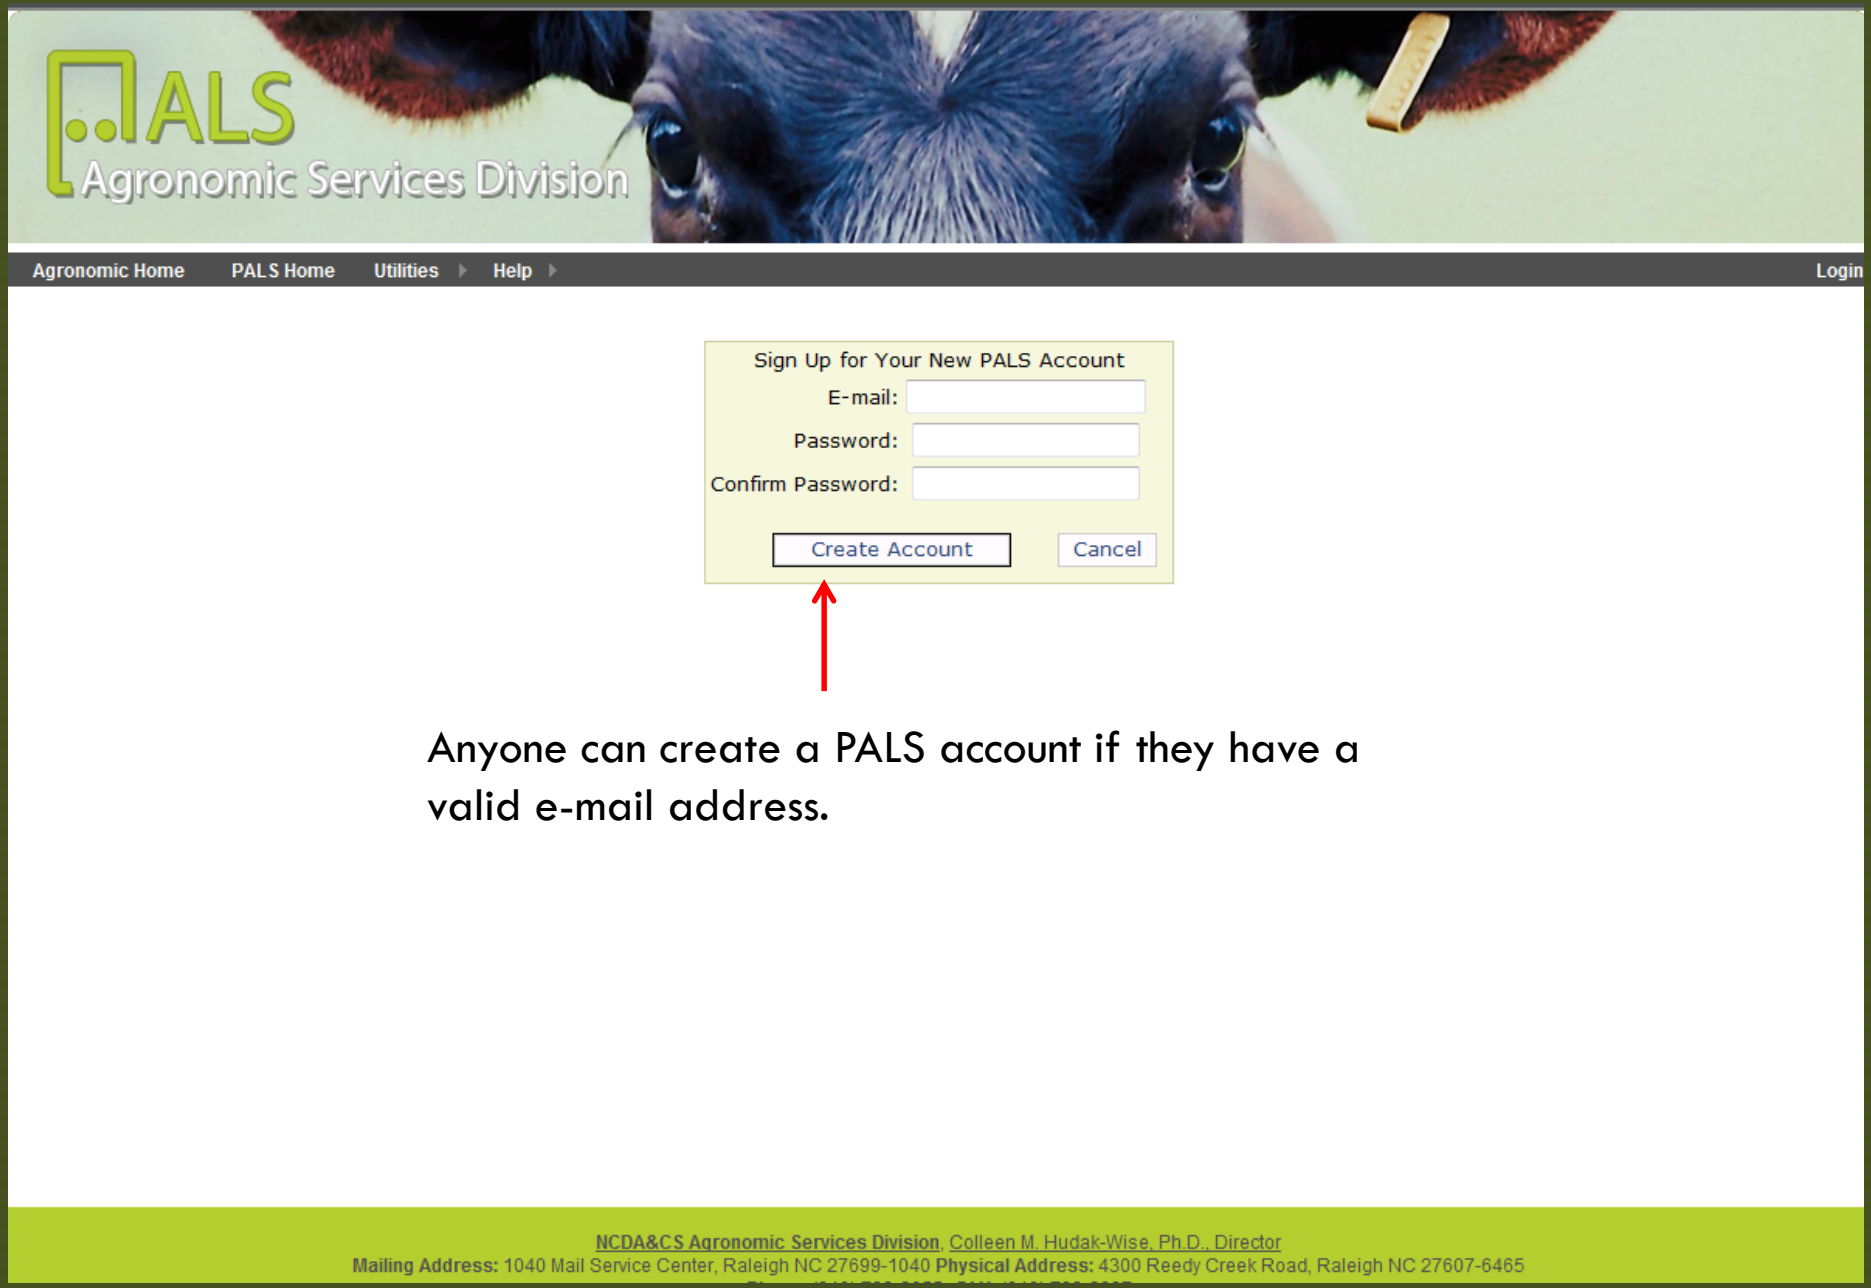


To set up a new account, click here.

For returning PALS customers, your email address is your user name. You will need to type in your password and click **Log in.**

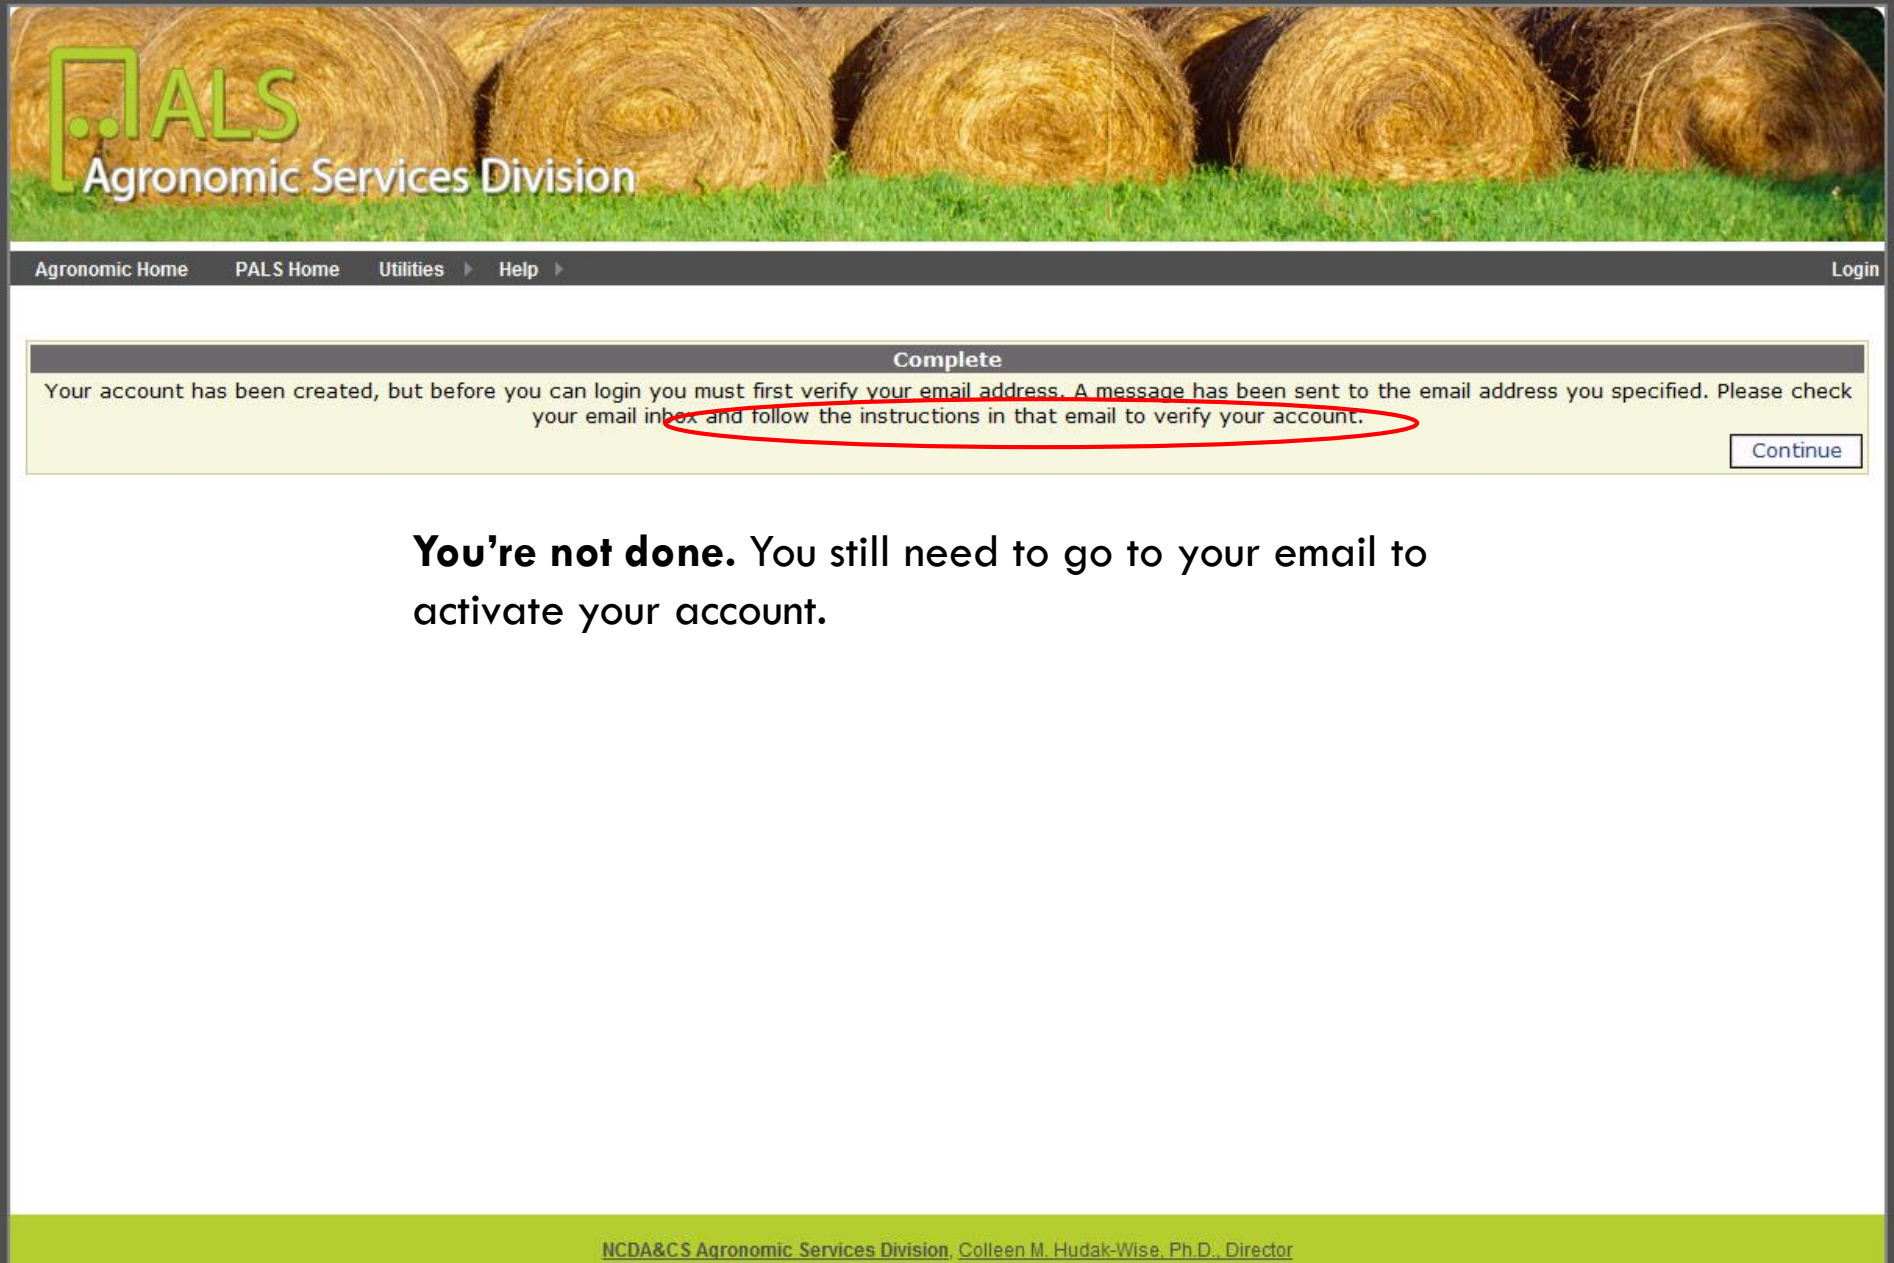
NCDA&CS Agronomic Services Division, Colleen M. Hudak-Wise, Ph.D., Director
Mailing Address: 1040 Mail Service Center, Raleigh NC 27699-1040 **Physical Address:** 4300 Reedy Creek Road, Raleigh NC 27607-6465
Phone: (919) 733-2655; **FAX:** (919) 733-2837

This is the screen that you would use to create a new PALS account.



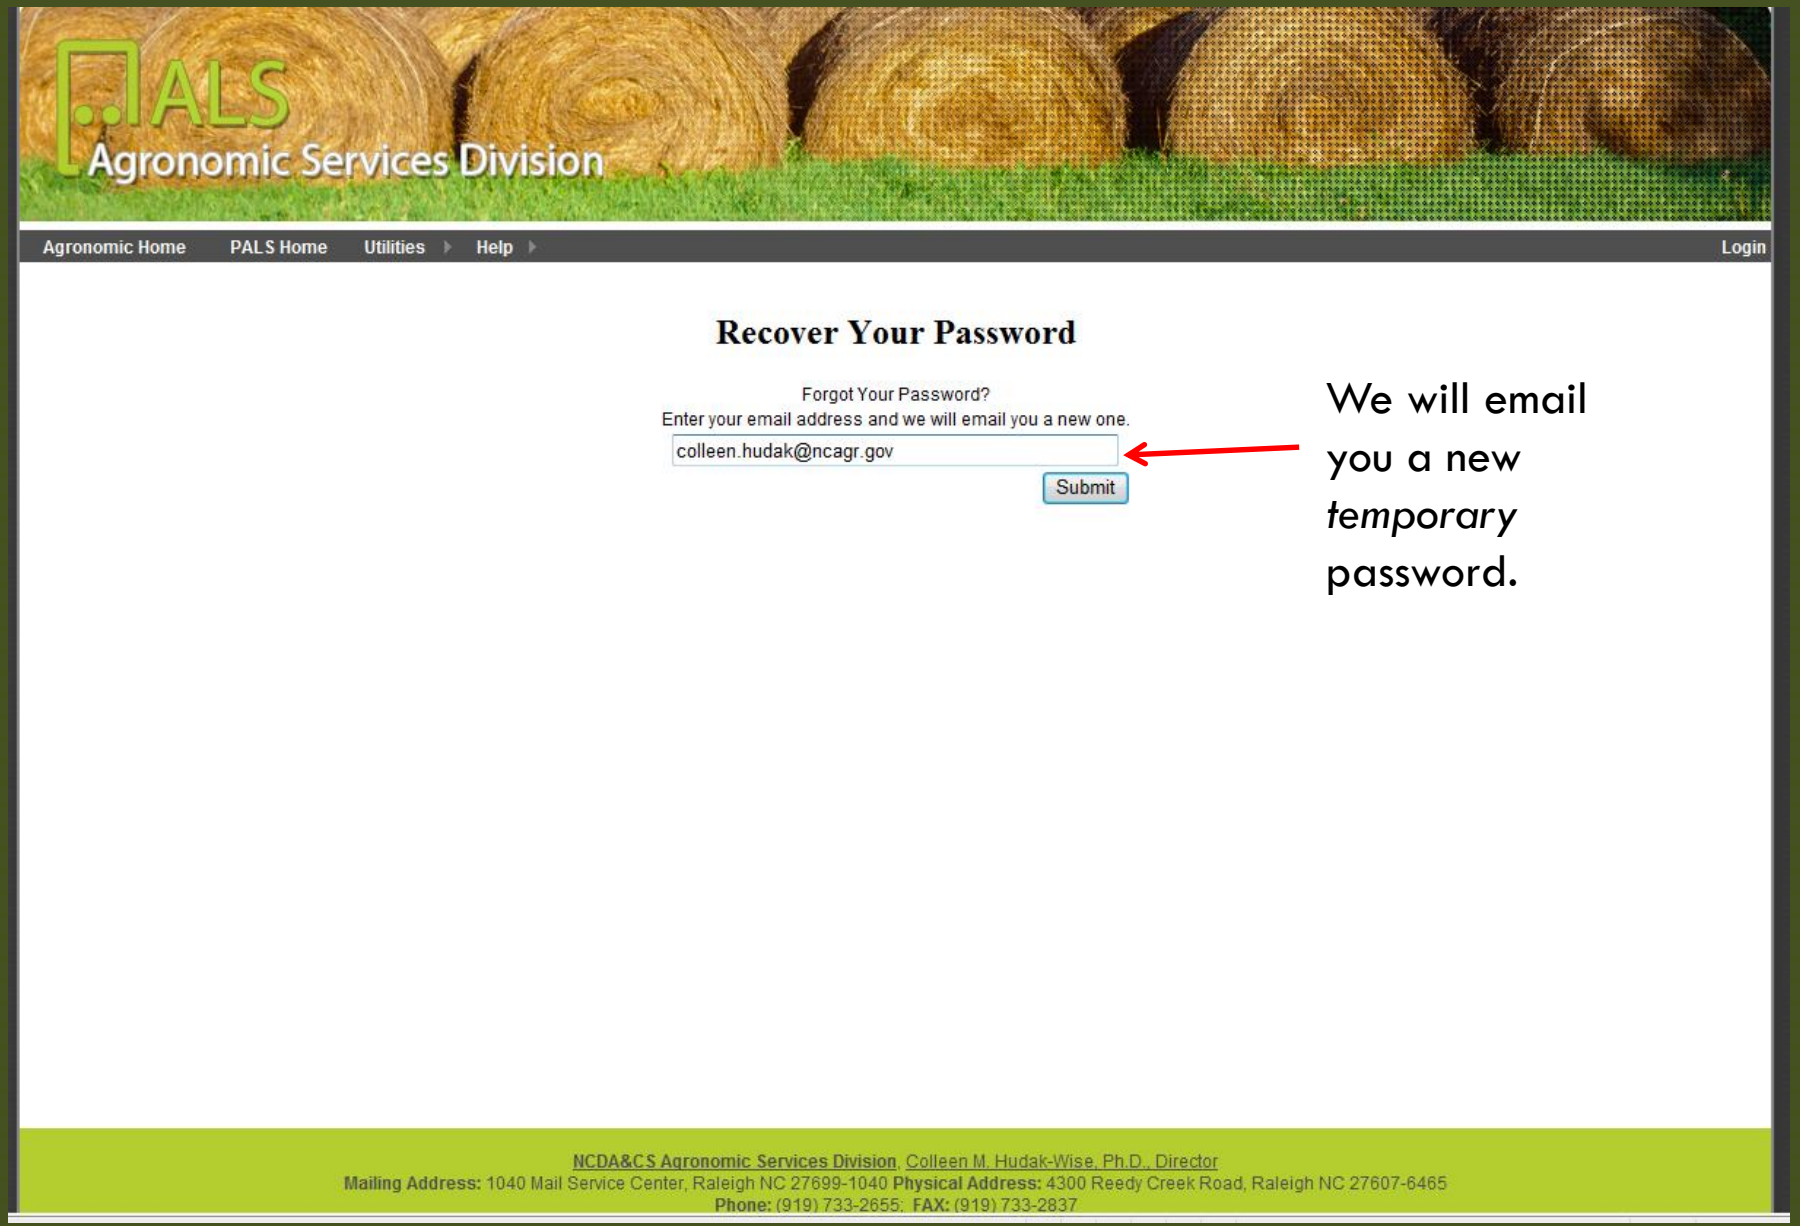
Anyone can create a PALS account if they have a valid e-mail address.

This is the screen that you will see after your PALS account has been created.



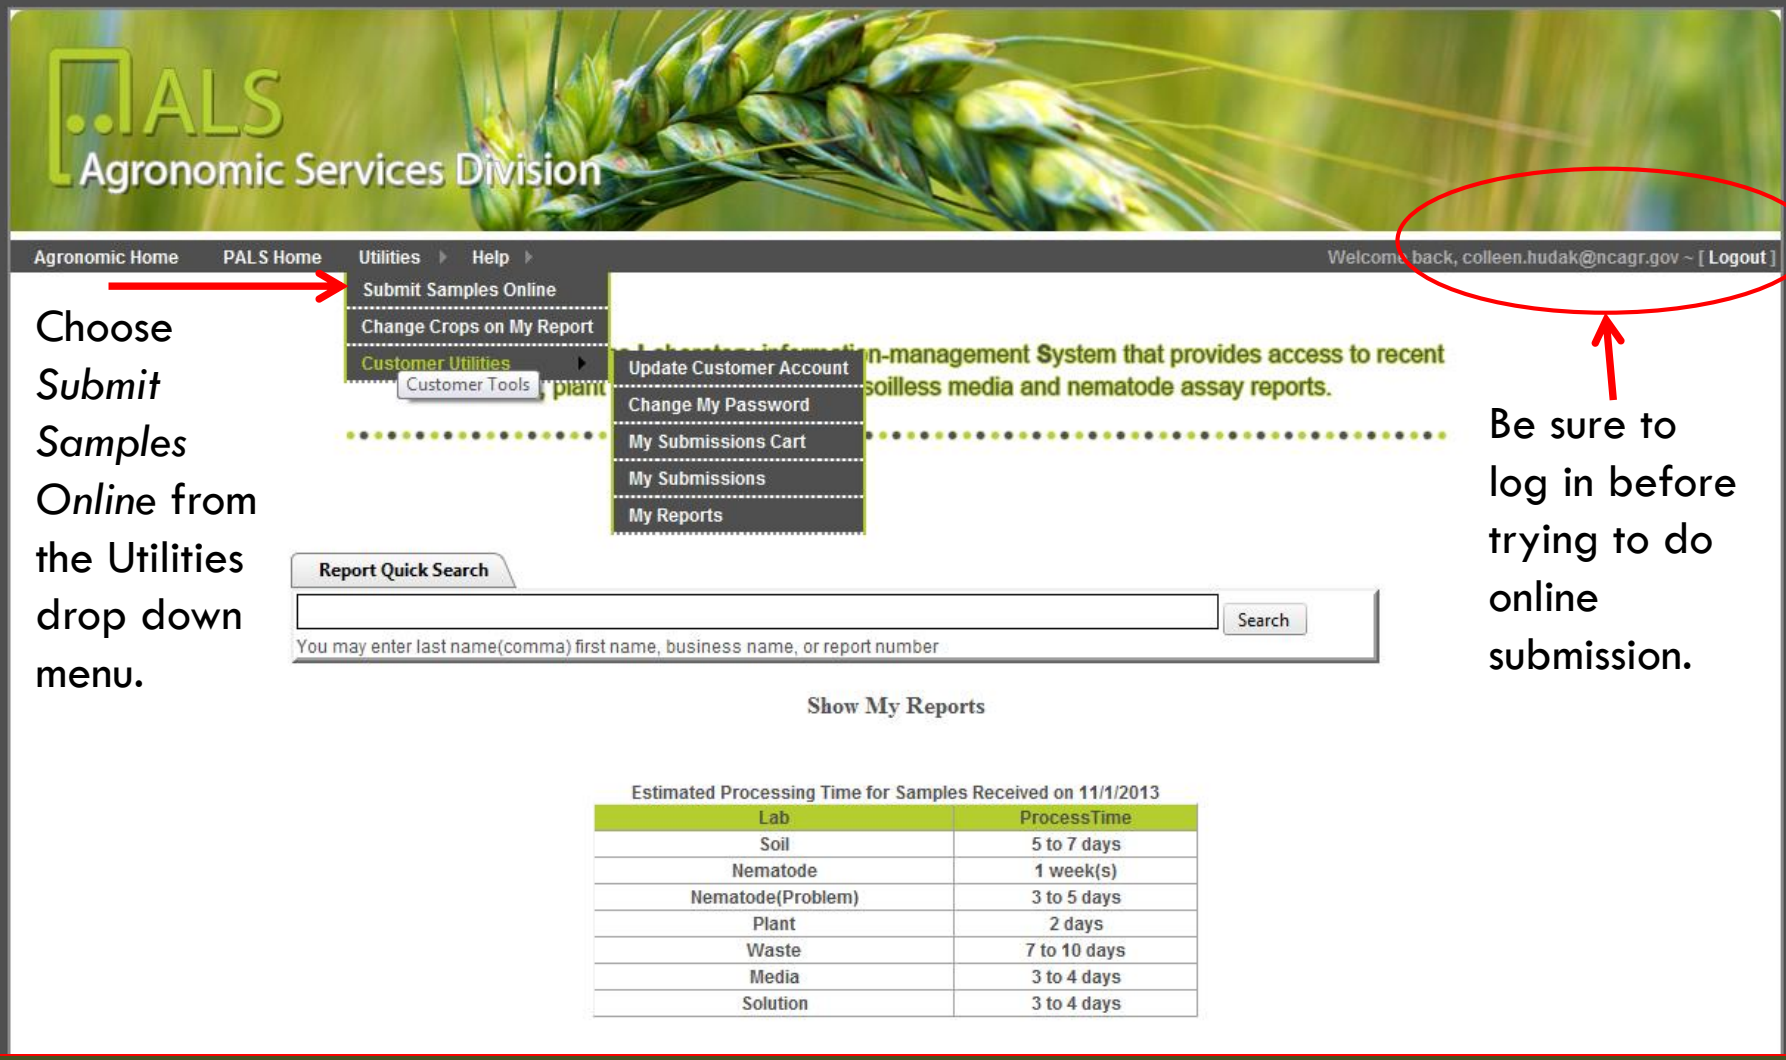
You're not done. You still need to go to your email to activate your account.

This is the screen that you should use if you forgot your password.



We will email you a new *temporary* password.

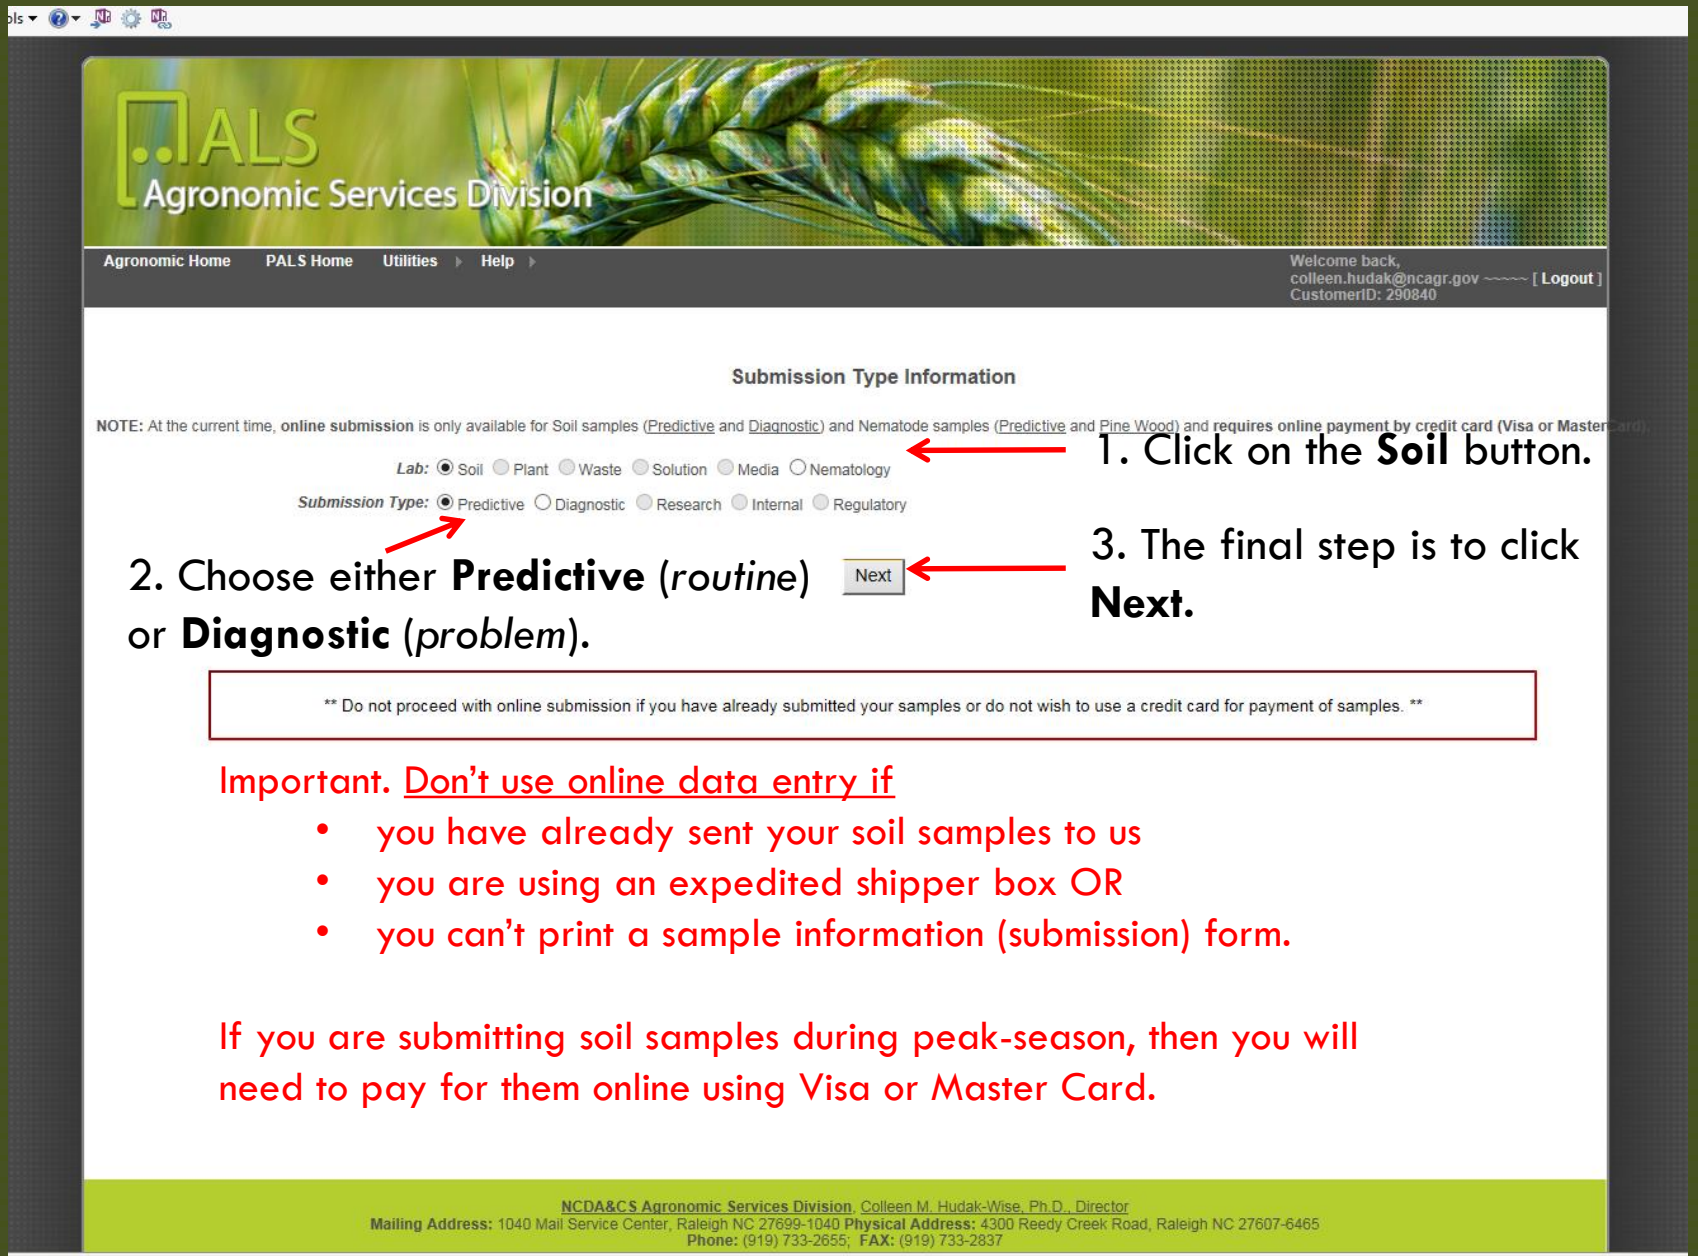
To submit samples online, first you will need to login. You will be redirected back to the PALS homepage.



Choose *Submit Samples Online* from the Utilities drop down menu.

Be sure to log in before trying to do online submission.

Here is where you start the online submission process. Let's start with submitting a soil sample.



1. Click on the **Soil** button.

2. Choose either **Predictive** (*routine*) or **Diagnostic** (*problem*).

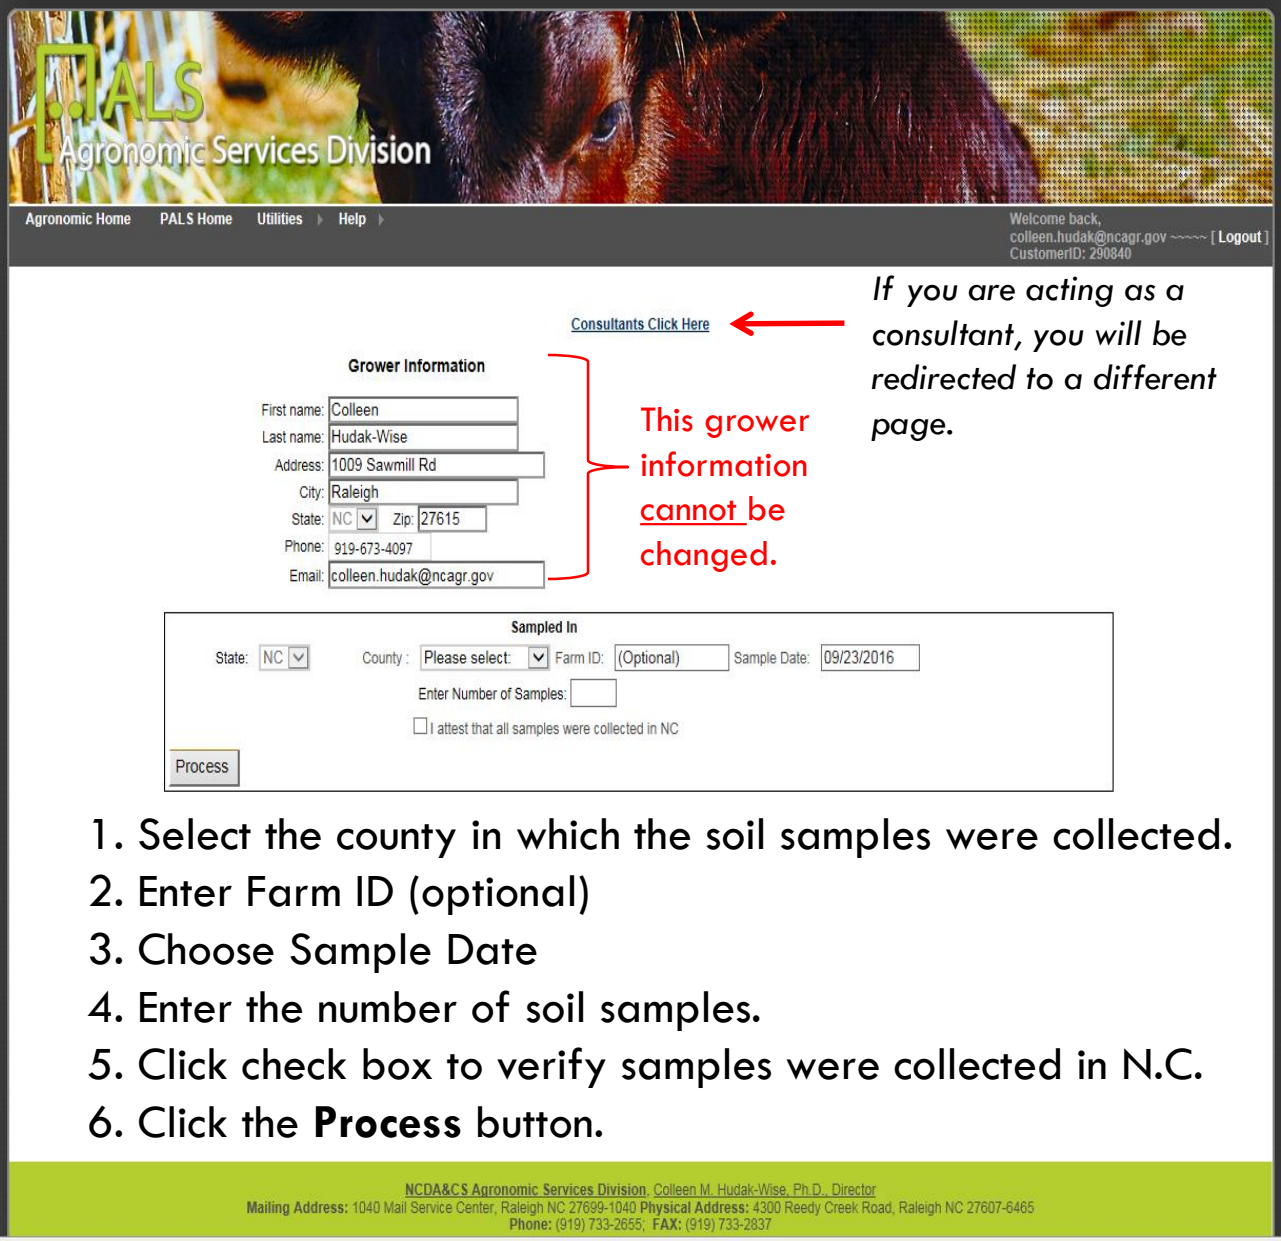
3. The final step is to click **Next.**

Important. Don't use online data entry if

- you have already sent your soil samples to us
- you are using an expedited shipper box OR
- you can't print a sample information (submission) form.

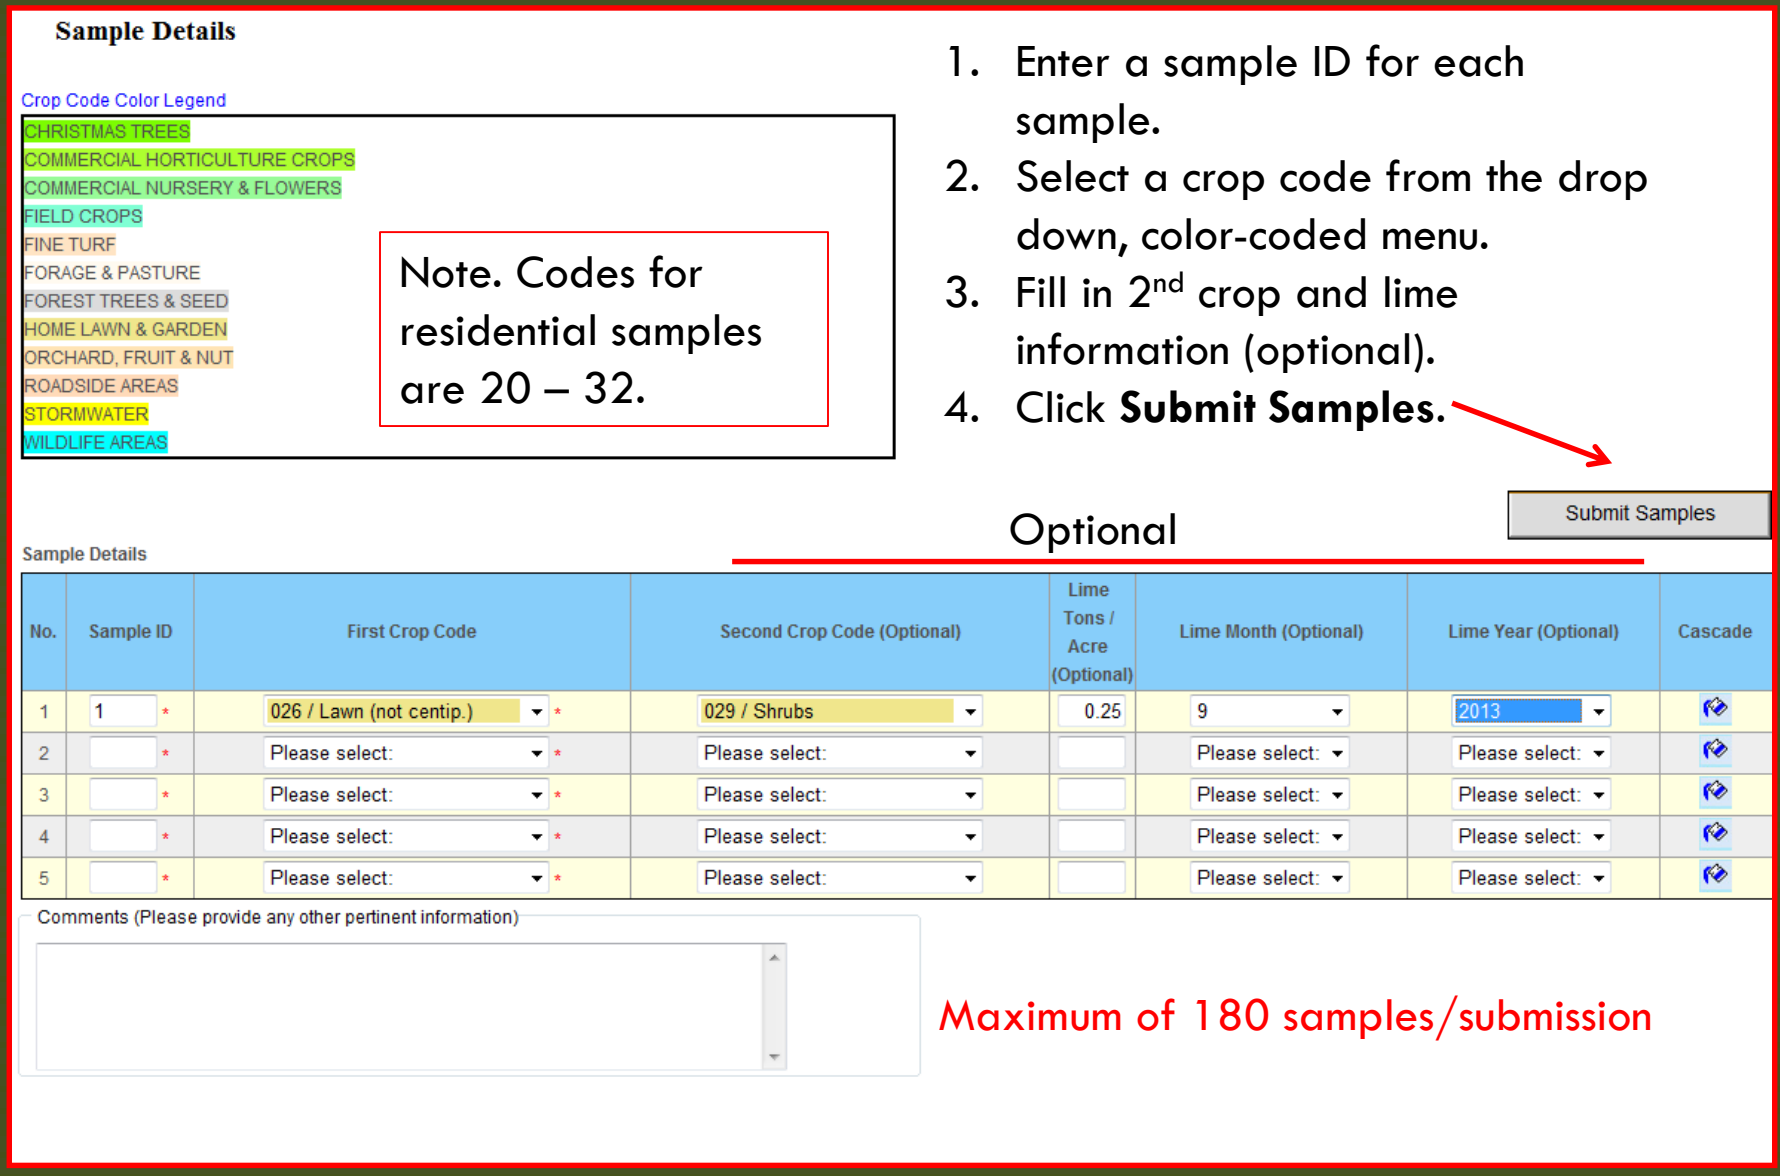
If you are submitting soil samples during peak-season, then you will need to pay for them online using Visa or Master Card.

Your Grower Information should be prepopulated on this screen.

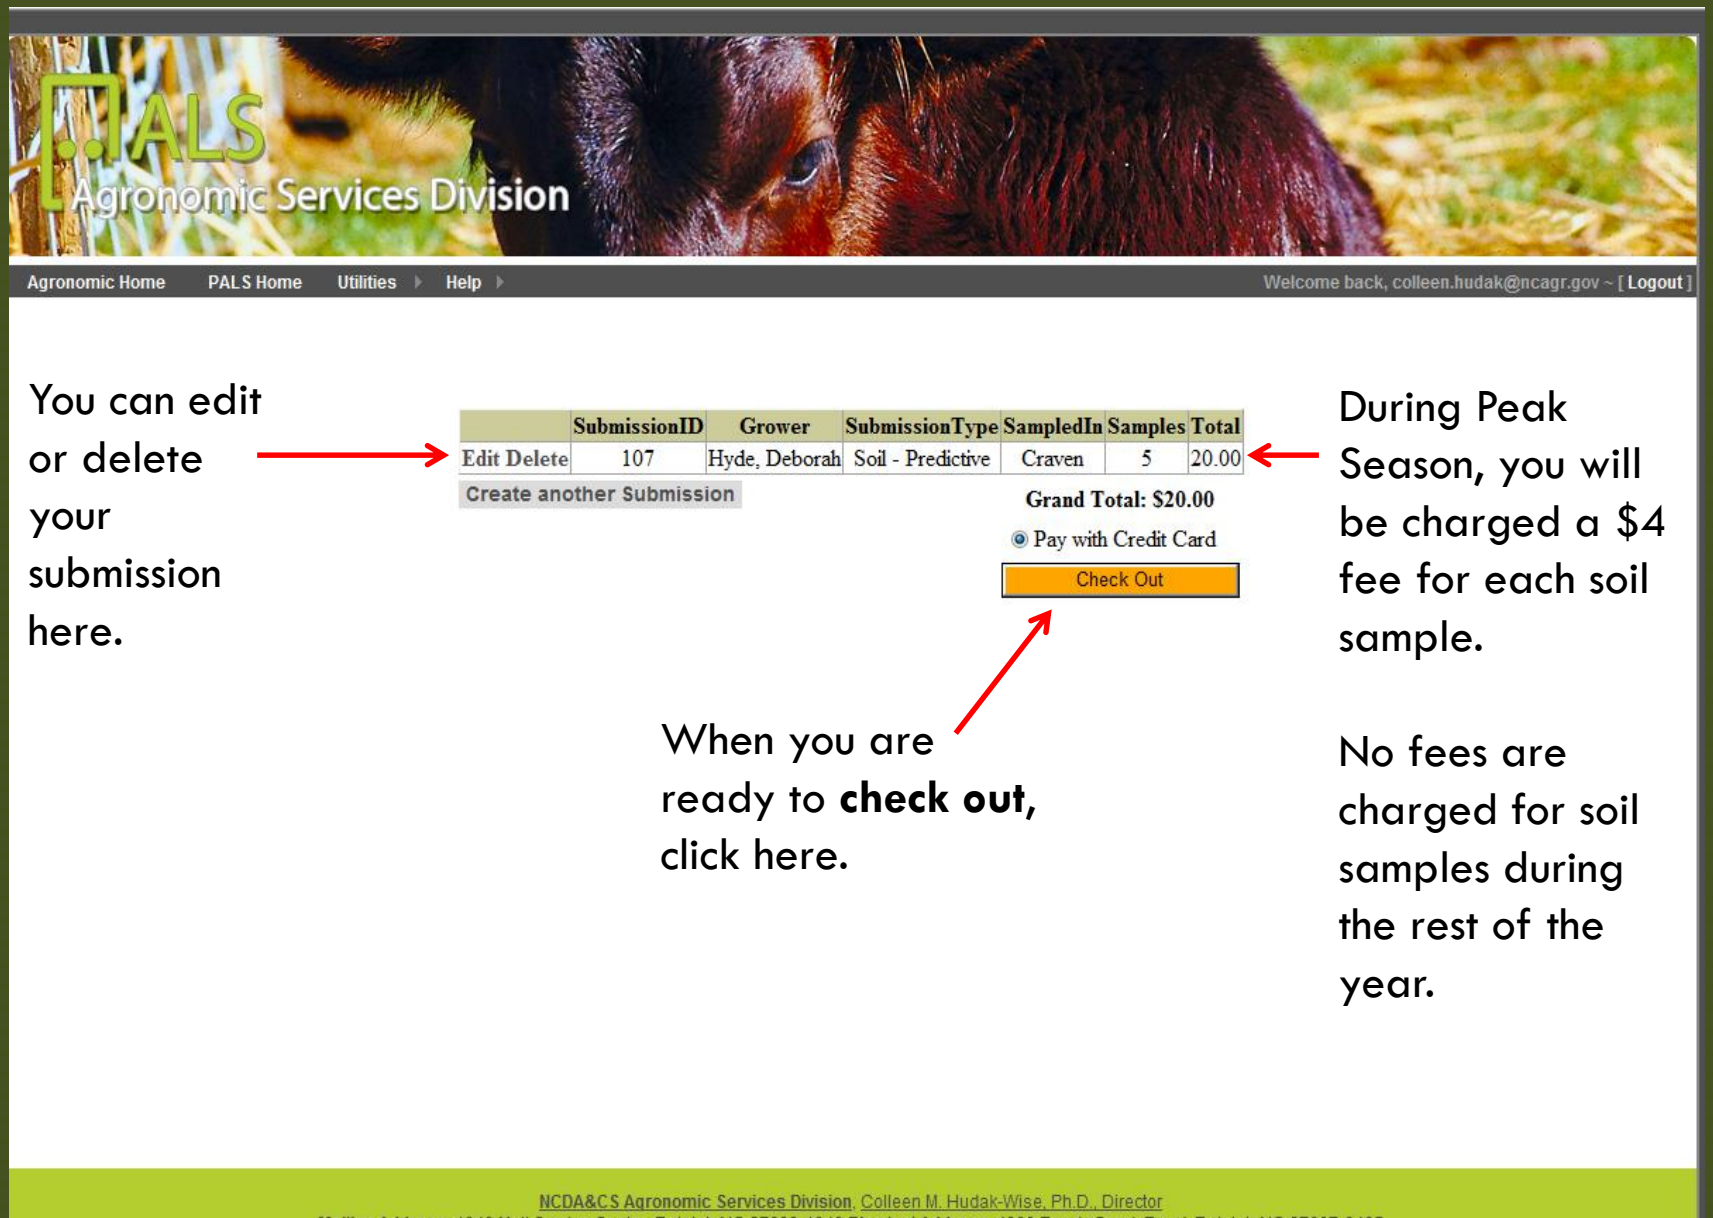


1. Select the county in which the soil samples were collected.
2. Enter Farm ID (optional)
3. Choose Sample Date
4. Enter the number of soil samples.
5. Click check box to verify samples were collected in N.C.
6. Click the **Process** button.

This screen is where you enter information about your individual soil samples. The grid is generated based on the number of samples entered on the previous page.



If you submission is successful, you will be taken to this screen called My Submission Cart.



You can edit or delete your submission here.

During Peak Season, you will be charged a $4 fee for each soil sample.

When you are ready to **check out**, click here.

No fees are charged for soil samples during the rest of the year.

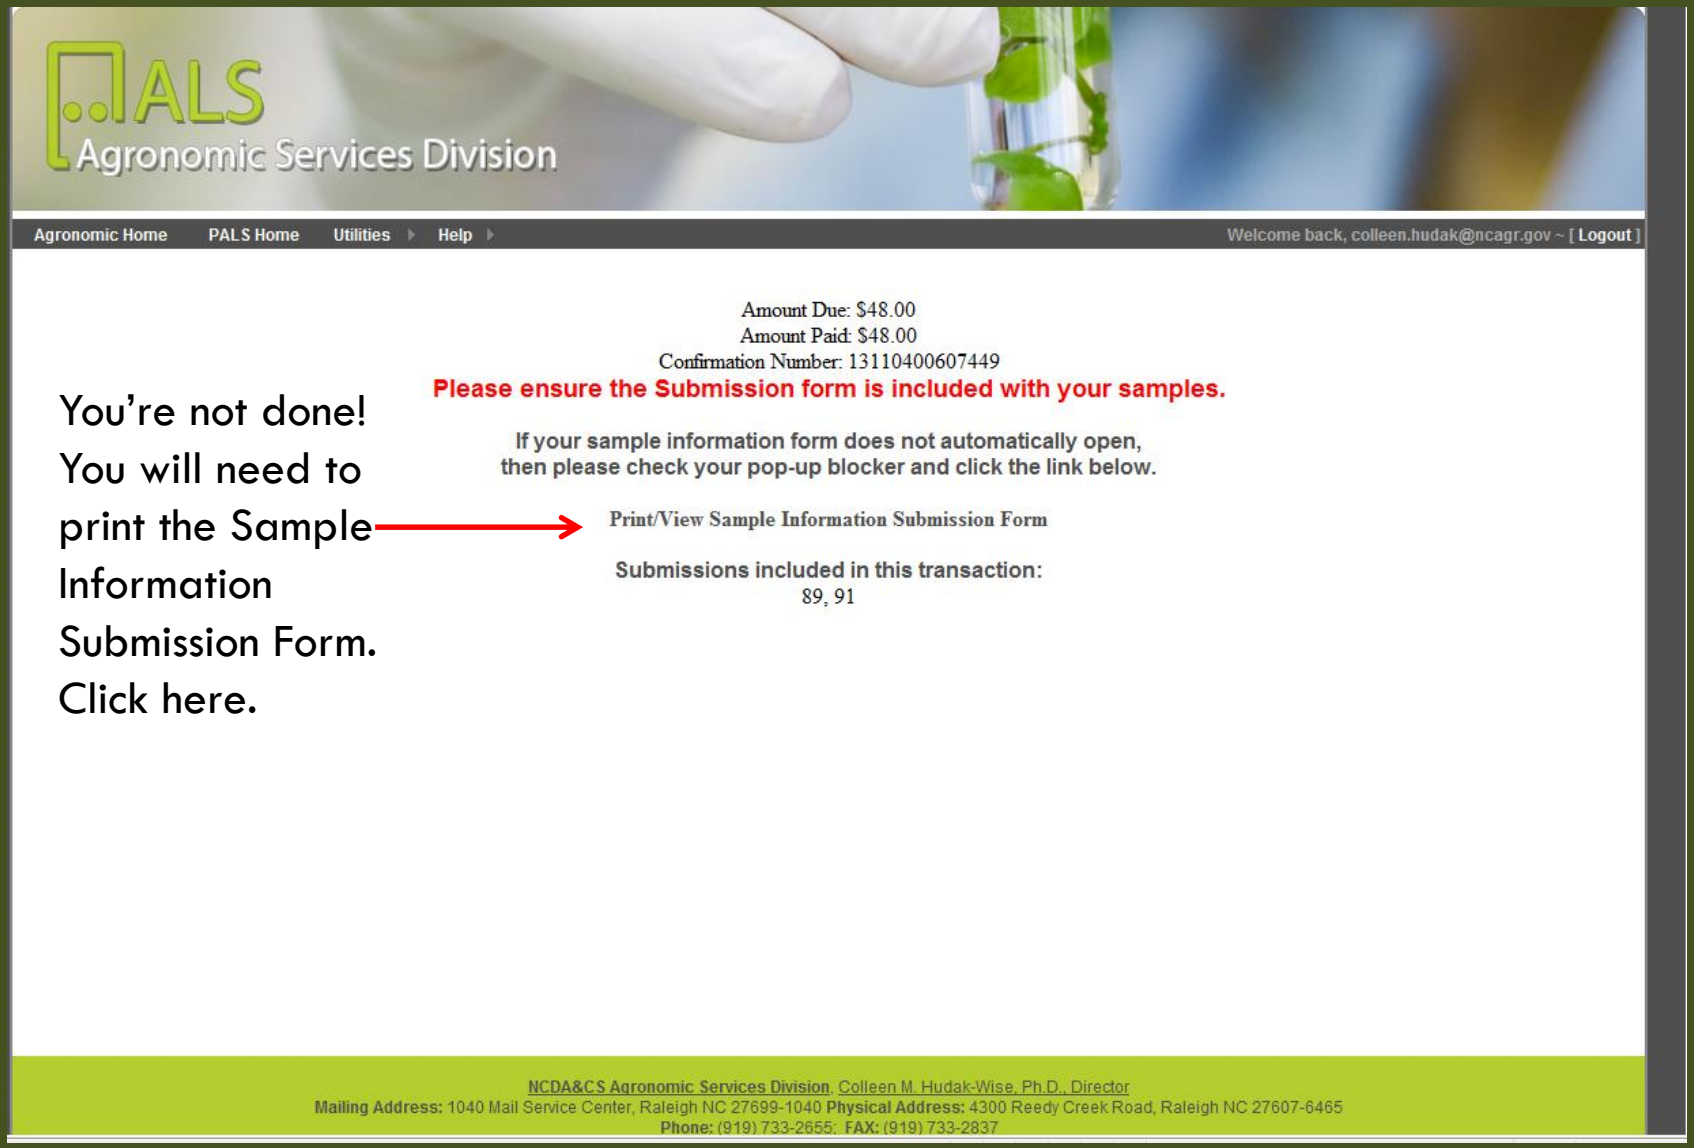
There are Two Different Types of PALS Confirmation Pages

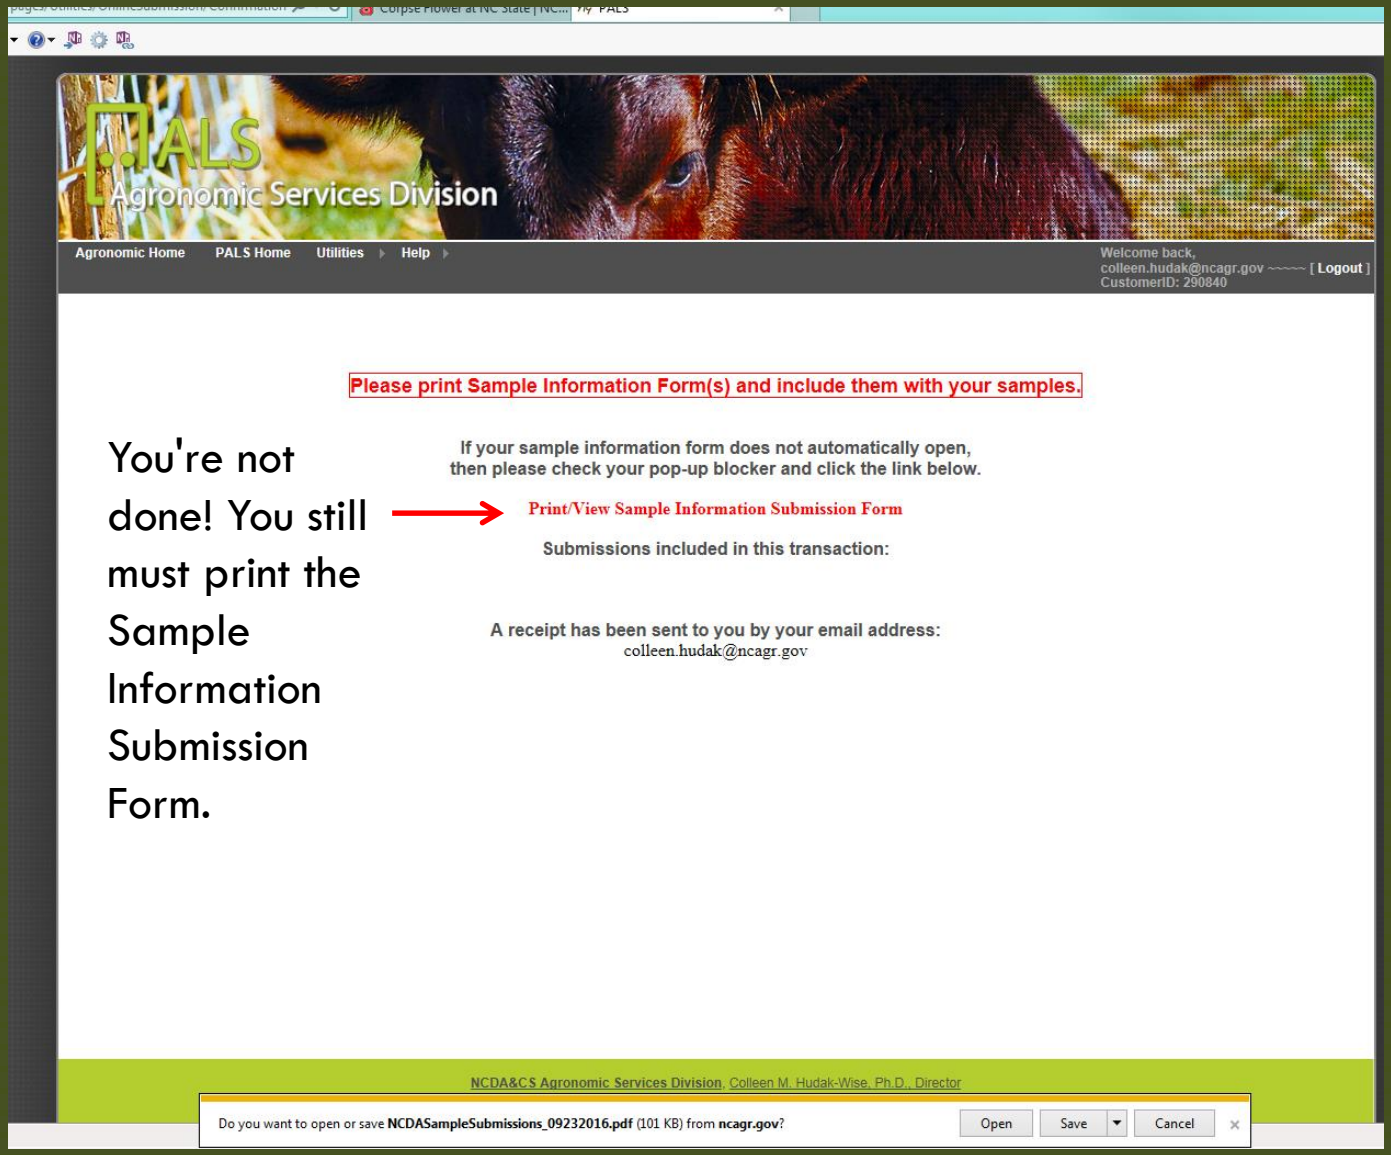
1. For submissions with a fee.
2. For submissions without a fee.

This is the Confirmation Page that you will see whenever you have used a credit card to pay for fees.



You're not done! You will need to print the Sample Information Submission Form. Click here.

This is the Confirmation Page that you will see when submitting soil samples that have no fees.



You're not done! You still must print the Sample Information Submission Form.

Following your online submission, you will receive an e-mail from us.

- *---*---*---*

This is what the Soil Sample Information Form will look like. It appears identical to the existing paper forms, except notice that there is a submission ID in the top right corner.
