Operational Policy

FARMERS SHED # 1

WNC Farmers Market

- **NC Farmer has 1st priority in Truckshed # 1 (Farmers Shed).**
- **NC Farmer can sell any produce grown on his/her farm including peaches and watermelons in assigned selling space.**
- **Any grower who rents a selling space in this shed must have an approved grower's certificate on file in the gatehouse.**
- **Grower certification must be turned in within 1st week of selling on the market. Any false information on grower certification will result in loss of selling privilege to sell at the market.**
- **Market personnel may do on farm visits to verify grower's production of produce being sold under Farmers shed.**
- **No more than one selling space per person and/or two selling spaces per family operation can be rented unless a surplus selling space vacancy situation exists.**
- **Please notify the gatehouse if an emergency or special circumstance prevents you from being in the selling space.**
- **Effective November 15 selling space 1-4 will be used for selling produce and the remaining selling spaces will be used for selling Christmas trees.**
- **Growers from other states can sell in Truckshed areas # 4 and # 5.**
