

# NC Forest and Wood Products Exporters Exporters' Online Directory Update/Revision

There are a few things needed from your company so to drive export business in your direction. All future general marketing and promotion activities coordinated by this office for the state's forest and wood products exporters will work to drive interest to our online exporters' directory. We intend to work to save cost and take advantage of internet resources and the opportunities they provide. Please take the time to carefully read, fill out, and return the questionnaire below.

1. Do you want your company listed as an exporter? If not you can still remain on the email distribution list about export related information but you will not be included on the export companies directory on the website.

Yes  No

No, but please keep me informed about news and activities being offered

Company Name:

Contact Person:

Contact Person Phone Number:

E-mail Address:

2. Name of Business (for exports, as some companies have separate export divisions):

3. Physical address of facility:

4. Mailing address of business for exports (only if different than physical address):

5. Contact person for export sales:

6. Export sales contact phone number(s), office, mobile, etc:
  
7. Export sales contact fax number(s):
  
8. Export sales contact e-mail address:
  
9. Does your company have an overseas office or representative? If so, complete 2-7 above for that office/representative and they will be included on your company page. If you have more than one representative in a country please report their location (province, department, state, region, etc.) so that may be included in their contact information.
  
10. Please give a short company description. Include facts such as years or generations in business, other selling points regarding your company such as mixed loads, fixed widths, color sorts, quarter sawn, overseas offices, etc.
  
11. Main products offered (KD, hardwood, softwood, logs, veneer, etc.):

12. Your companies' most recent high quality image files of your logo. This will be included on your individual company listing page on our online wood industry exporter directory. Please send the logo as a jpeg file via email to [john.hammond@ncagr.gov](mailto:john.hammond@ncagr.gov)
  
13. If you have an existing company webpage, please provide the link to add to the export directory.
  
14. Additional information:

**Thank you for your help and participation!**  
**If you have any questions, please contact John Hammond**
